Presentation of trophies at MG Car Club Newcastle's next meeting, Friday August 10th from 7.30pm at Cobby Street Shortland.

Both Madelon and I would like to thank all our wonderful officials and of course those 9 pairs of competitors, if you enjoyed the drive tell your friends and club mates so hopefully we have better numbers next year, I'm thinking a more Coastal based run.....If each crew from this year ropes one crew in we'll go close to twenty.....
