**FOR SALE MG ENGINE. Suit TB TC, TD, TF, Y, W4/44.**

Complete long motor, loosely assembled to allow your inspection and configuration.

XPAW block with GM-type split rear crank seal conversion installed. Crank requires machining to suit. Parry's at Arncliffe can do this as they are very familiar with the task.

New + 0.030" pistons and rings. 1280 cc. Test run only.

TF/XPAW 24005 con-rods with cap-screw little end bolts.

TD sump. TF oil pump and filter.

TC and TD/TF/W4/44 front engine mount plates.

Distributor, water pump, thermostat housing, rocker cover and side-plate.

Graham Russell-modified XPAW head. New TF 36/34 mm valves.

Head thickness approximate 74.5mm = 8.6:1 on standard bore. Thus with +030" overbore the c:r should be about 8.75:1

TD rocker cover.

TDII/TF (120/9 teeth) and TC (93/10 teeth) flywheel/ring gears.

Inlet and exhaust manifold.

XPAG 7227 block with main caps. Requires boring, one sleeve in place and could be taken to 72 mm for 1466 cc. Fasteners, camshaft and sundry parts included.

Pistons to suit: 4 off +0.100" with rings.

4 off casting No. 24005 TF balanced rods.

T-type cylinder head. Casting No.

6842, Late TD/TF/W4/44 with round water holes and long reach spark plugs. Approximately 75mm thickness. Fitted with new TF valves and enlarged seats 36mm inlet, 34mm exhaust. Ports un-molested. Rocker gear included. Cleaned and painted.

TC bonnet side and tops with 3 hinges. These parts must go and I am willing to discuss sensible offers for all or part of this list. Over \$8,5000 has been spent on the engine parts.

PRESIDENT'S REPORT

At the Ringwood Property Sale Information Night it was good news that the DA for the Boundary Realignment had been granted by Port Stephens Council with conditions attached. These conditions, included fire protection works, water storage and a fire plan. All been finalised and the final DA consent forms were lodged with Council last week. Council expects their final approval consent to issue this week.

In the Court matter, IRH missed their lodgment times last week, and have now offered to consent to two of the orders that we have counterclaimed in court. These being to (1) strike out their IRH claim for the purchase of the entire parcel of land, and (2) to consent to the MGCC cross claim (ie for the sale of all of the land less the approx 14 ha area that we retain) and as well they have advised that they will not be offering a defence to our cross claim nor evidence in support of their claims. The matter of costs will be reserved.

IRH have also advised that they will consent to the registration of the boundary realignment with the Lands Titles Office (LTO) and will remove their caveat over our 14 ha land area.

In the absence of any further development, the Court is expected to approve these consent orders at the next hearing date 12th November 2010. Settlement should then take place as soon as the LTO has returned the new Titles.

You will recall that after the contract was found to have errors, IRH was seeking to take advantage of that fact and force us to sell to him the whole property. The course, which was chosen and has been pursued was due to

my and the committees resolve that, as has been the case since the purchase of Nelson Plains, the club own property on which we are able to conduct motor sport events at a reasonable cost to members.

There is an interest group within the club who think this ideal should be disregarded and sell all of the land no matter what the outcome. This group is canvassing proxy votes in order to remove the bulk of the committee at this months AGM.

If you are a full voting member, you should carefully consider to whom you give your proxy vote. An extensively changed committee could reverse Mal Roach's unanimously supported motion to do a boundary realignment and sell the remaining land to IRH. You should get a clarification of a member's conviction before giving them your proxy vote.

Mattara is over for another year. Next year we move back the October Long Weekend until 2014. The Newcastle City Council has nominated the event as a major event for Newcastle through to 2020.

This year we had some major changes with upgrades to track safety. This required things to be prepared differently. The concrete barriers were replaced by Triton barriers and in more locations and the replacement of hay bales. Also there was an upgrade to the timing equipment and display system, which is still under development.

Although almost having full fields we ran the event in opposition to the Australian Hillclimb Championship in

FOR SALE Khanacross buggy

Price \$12,500 o.n.o.

The design was by Arthur Jackson.

The owner Graeme Lomas built the car in 2002.

The buggy has been used in NSW State Khanacross Championship events between 2002 and 2006 and gained a number of Outright top three placings.

The car is ready to run as is.

Fuel used must be 98 octane (no alcohol supplement like Shell V Power)

A Suzuki Cultus (Japanese version of Suzuki Swift GTi) front cut was purchased in 2001, it included the engine, radiator, gearbox, axles, front brakes, wiring harness and ECU.

The engine and gearbox are in standard form.

It has a fiddle handbrake which can lock one or the other rear wheel.

The trailer is a lightweight full metal construction unsprung trailer (hot dipped galvanised).

LAND PANEL by Alan Bates

As you are aware, King Edward Park Mattara Hillclimbs are now Done and Dusted. Everything that needed to go back to Ringwood is there.

Our focus now is on preparing for the up-coming hillclimbs on the 7th and 21st of November. There will have been a working bee on the 6th but not on the Saturday preceding the 21st.

Everything will have been done two weeks before and the final preparation can be achieved on the morning of the event.

For all those members who have participated in the working bees and acted as officials during the year, there will be a BBQ and drinks after the Hillclimb on the 21st of November.

DADS ARMY continues to work on the facilities we have with the view to improve and maintain.

There is now a need to have all the outstanding work accomplished before the break over Christmas.

This is partly due to the need to spend time at the club rooms for repairs and refurbishment prior to the National Meeting next Easter. This will commence early in the New Year. That's right, the NEW YEAR, it's just around the corner!!!!

If we take our eye off the ball, Easter will be here before we know it and nothing will have been completed. So, please be prepared to step forward and offer your assistance, Dates will be advertised in the December magazine.

Cheers Alan

OFFICIAL WORKING BEES AT RINGWOOD PARK WILL NOT BE HELD FOR THE REST OF THE YEAR OTHER THAN THE DADS ARMY DAYS ON THURSDAYS. YOU ARE WELCOME TO COME AND HELP. PLEASE BRING GLOVES & A HAT BUT RING FIRST TO CHECK IF WE ARE THERE

SPEED REPORT BY Rick Vincent

Following another successful KEP event a big thank you goes out to all members and friends who put so much effort into running this major event,

We have the last two hillclimb events left for this year 7th and 21st November, so we are expecting many entries, the revised Entry Forms and Supp Regs are on the website and as usual pre entries save \$5.00 and registration time on the day, please notice that page two on the entry form, has the NAMS classes added so please add your appropriate class on page one, again saving your time at registration.

Could we have accredited flag members to man the top flag position for both events, if you can volunteer it would be really appreciated, just give me a quick ring to arrange which day.

As you can see we are still desperate for officials, if you can please attend the CAMS Club Chief Training Day to be held at the club rooms on Saturday 13th November from 9.00 to 4.00, lunch provided, we just might be able to run events next year,

I'm not kidding, as the same 6 to 7 people that run the events for this year have had enough, its not a big ask, so please contact me for more information, and share the load.

An Officials Championship for next year, is being discussed with incentives for CAMS approved officials, to assist in running events for 2011, a point scoring system will be advised after the AGM to begin next year.

The Speed Panel also discussed for next year to conduct an awareness night of the CAMS/ NAMS rules at our club nights, (2nd Friday of the month) during the year these will be conducted by experienced members who are very familiar with all the rule changes that keep occurring, these will be very interesting nights particularly for new members.

Please come along to the club nights as we are always trying to obtain guest speakers, like our recent guest Michael Guest famous rally driver who spoke of his scary experiences in Australia and Europe.

That's all from me, see you at the Officials Training Day.

Keep your tyres hot Rick

A VERY BIG THANK YOU

Many thanks to all John's mates for their kind efforts in preparing John's JWS for sale. I dont know all the guys or gals that pitched in to make the car look spectacular but please know your efforts are truly appreciated. A special thanks to Peter Robinson, Brian Morley and John Collins. I wish Darval all the best in the coming races and am sure he will have "a voice" in his ear telling him how to drive it.

We scattered Johns ashes at the Ringwood Complex as the Club was his passion. Over the past 6 months I have come to realise what true friends he had in the Club and fully understand why he enjoyed spending time there.

Thankyou to all the club members for their support and kindness over the past difficult months

Regards Kerry, Louise and Ian Cooper

REGISTER NEWS by David Walker

The end of the Club Year in nigh! Shuffle the papers, count the points, and present the trophies. Doesn't get any better than that...well maybe some prize money would be nice but there is nothing in the budget for surprises.

However I would like you to support the Club Concours on Sunday 28th November at the Newcastle Foreshore. This will be the last Register Run for the year and as always, all club members are welcome, you don't need to own an M.G. to enter and join in the fun.

It has been pleasing to see some new faces throughout the year at the Register Runs. Whoever organises next years' runs will be happy to have anyone join in who enjoys a run in their car and a stop for coffee and a chat with like minded friends.

The Register Runs are for all members and visitors or friends. We try to be a tourist in our own town, finding some out the way places within an hours' drive.

Next year I'd like to discuss the foibles of owning a late model MG. The ownership and running a of an 2004 MGZT etc.

If you need to know anything about the Z series, we have quite a few in the club now and could get a real forum going.

'B' seeing you, (at the Concours)

DAVID.

SECRETARY'S REPORT by Andy Peters

The King Edward Park Shannon's Mattara Hillclimb was a great event and congratulations to all the winners.

Amy Mrcela achieved the fastest time on Sunday and was the first woman to win the event - congratulation Amy!

Thank you to all who came along to the working bees in preparation for the event. We had several working bees and there were lots of "story telling", problem solving and friendship made while preparing for the event. Everyone got to enjoy the great views and believe me the views are fantastic!!

The event cannot be run without officials and thanks to all of you. I received lots of compliments about the lunches which were provided to them and I would like to thank the ladies who made the lunches and or-

ganized the food for the presentations - THANK YOU

Now the packing up of the park: We had lots of help on Sunday night which was great - thank you
Removing the sand bags went well. Removing the Armco was difficult with only approx 11 members to do all the work - only 2 were competitors from the weekend. We did have a truck driver who helped us and he was not a club member.

Thanks for your help on Saturday 23rd - We did not complete unloading the truck with the Armco till 7pm. "What a long day and what an effort!!!"

I am writing this on the bus on the way to the motor show which is a social event organized by our club... Looking forward to seeing you at the AGM

EDITORIAL by Judith Rae

as we cannot run events for competitors if we do not have enough officials. Some jobs need more training than others, some on line training is available and others require face to face.

You must keep a record of the jobs you do to keep up your accreditation. Because our club organises so many events (we generally run the most events of any club in all of NSW), this is why we need more officials.

It is not fair to use the same people time and time again and I think competitors should stand aside from competition occasionally to be an official to give everyone a fair go.

Come on put you name down to do some training (please ring Ric)

Please make an effort to come along to the Annual General Meeting to select the committee to run the club for the next 12 months.....Judith

Articles can be submitted by mail, fax or email and must be a Word Doc. Letters to the Editor no more than 1 A5 size page.

Well the end of the year is in sight and the events are slowing down a little. At least our biggest event is behind us with King Edward Park just about wrapped up for another year. It does not get an easier, and if you were involved for the first time you can appreciate what a big job it is.

Congratulations to Amy Mrcela the first woman to win the event outright. Well done Amy.

We are always needing Officials to organise and run our events and we are instigating some CAMS Training Courses. (See Ric's article page 35)

We urge all members to get involved in the Official side of the Club

SOCIAL NEWS by Rose Cogger

At our last Club Night Pirtek representatives **Michael Guest**, Professional Rally Driver and **Peter Whelan** their Sales Representative were guest speakers.

Michael Guest gave an overview of his European Rally Driving with a DVD showing the skill required to participate particularly in the famous Spanish Rally.

Peter Whelan provided information on the Pirtek range of products for the Motorsport market. It is new and quiet extensive.

Rocker Cover Racing happens at Club Nights in readiness for the MG National Event to be held over the Easter weekend 2011. Build a racer, come and have a go. For club nights

we are thinking of allowing other Marques to compete also. The **lucky number draw** was not won and now stands at \$250

NEXT CLUB NIGHT: Friday 12th November being the **Annual General Meeting**.

NOVEMBER NATTER NIGHT

The Next Natter night is to be held at **Shirley and Andy Peters'** home at 38 Edward Street Merewether on Saturday 13th November at 6.30pm.

This will be a barbeque night and the usual BYO food and drink. If the night is warm bring your swimmers and try the pool. Phone 49634397.

Of course the Post and 2HD/NewFM don't do this as a "Freebie". This is part of our negotiated promotional package.

2. Paid Publicity

This year, we decided to go with NBN again, 2HD/NewFM for the second year and the Post Group of Newspapers. Why not the obvious choice, The Herald you ask? Several reasons -

The former Motoring Editor, Brent Davison is not in that position anymore and although his name still appears, the column is done by others who will not publish anything about any of our events - or indeed any of our level sport and neither has the Sports Department acknowledged any phone calls or pre-written stories on State, Tri-Challenge, Mattara etc. for over 2 years unless part of a paid advertising package, where all news stories have to be supported by advertising.

Unfortunately, NBN had so much paid advertising this year, they cut us back from 48 ads to 28 - A fact of life! Last year's advertisement was re-jigged and some new footage added to do this years advertising.

2HD rang back after the Press Day debacle and said Richard would be available on Monday - or Tuesday, um...to go to the track, possibly! I said thanks, but no thanks. Phil couldn't afford another day off and neither could I on a "possibly" - again - smiling away through the phone.

This year though, we could get more air time on 2HD and NewFM, split over the two stations, and with 15 second slots - 35 with 2HD and 50 on NewFM. We still managed a couple of "Pre-event" interviews with several drivers in the week before, which all adds to the publicity.

The Post Group offered -

'Public Event' notices in Newcastle, Lake Macquarie and Hunter Post for five weeks leading up to the event.

Quarter page display (copies of our poster) for three weeks.

Double page spread published 13th October - supported by sponsors.

Follow-up pictorial published 20th October in the sporting news.

Some of our sponsors in the programme were again asked to support the Post feature, which although cheaper than the Herald is an added cost for some of our Club's sponsors and members - Many thanks.

As the ads start on Radio, TV and in the Press, other media start asking for interviews, the ABC (both FM & AM), Community Radio Stations etc. so arrangements are made with competitors who are locals and who have a chance of winning or at least placing well, to be interviewed.

Our good friends at NBN did a great job on the weekend with interviews at the track and a substantial news item on Saturday night plus recognition of Amy Mrcela's historic win on Monday night.

2HD, ABC and NewFM all wanted interviews with Amy in the following week and she spoke like a professional racing driver. Well done.

Peter Robinson Publicity Officer

PUBLICITY by Peter Robinson

SHANNONS MATTARA HILLCLIMB WEEKEND

I guess Club Members at this time of the year wonder about our advertising effort to publicise the Mattara Hillclimb, what we do and with what media organizations.

The event promotion falls into two departments -

1. "Free" Publicity

Free publicity is mainly available from the regional news papers such as the Maitland Mercury (a Daily) and the Port Stephens Examiner (a weekly). These small newspapers are usually after upcoming news, but several prerequisites are essential to getting any news in their papers.

The "Angle" - The story has to be about a competitor who lives in their local area - preferably someone "different" - a lady or a very young "junior" competitor, or even a very old competitor!

The sports reporter has to be primed with several phone calls and emails to hook them. The story must be written for them in a newspaper "style". It makes it easier for them - and they look good when they change a word or two - and then put their name to it!

This year, I organized Keith Hammond (Junior) for the Examiner and Elizabeth Robinson (lady) for the Maitland Mercury by writing stories about how they were competing at the upcoming State Hillclimb on 1st August at Ringwood, and then later at the Mattara, with the possibility of talking up the event and mentioning TV coverage, other papers, radio etc, gets them keen (their "local" kid is in the big time!) Both papers did before interviews with photos, and small follow up stories after, referring to the Mattara event.

In the lead up to the Mattara, a "Press" day was organized at Ringwood for The Examiner, The Mercury, The Post and a 2HD Breakfast Announcer. As Keith Hammond wasn't available, Ryan Bates and his Dad were invited (with car); Elizabeth got out of work early to come and Phil Limbert very generously agreed to take time off work and take Richard King from 2HD for some laps and to be interviewed.

Weeks of arranging, emails and phone calls had all parties OK to go the day before. The Examiner reporter turned up and Ryan was interviewed and a "Press Release" (story) on the Mattara was sent. The Mercury sent a reporter/photographer, took many photos of Elizabeth starting, driving around the track etc. and left. (The article had a photo of her sitting in the Pits!)

Ten minutes before Phil was due, (we had staggered the "appointments" from 10.30am to 2.00pm) 2HD rang to say Richard King couldn't make it! And ..."Could we make it another day?"

Phil had given up a day to load the Capri, tow it to Ringwood and then nothing! Of course, being diplomatic and smiling through the phone saying, "That's OK" through gritted teeth, is part of the job.

The Post? - "Oh, is it today?" - the same.

CAPTAINS REPORT By Scott Mc Garry

Another month or 2 have passed, some more events have been run, and some slight changes in standings for various championships have occurred. Having said that, not much has changed at the top of the Junior Championship, or indeed the competition for Outright Club Champion, with Dylan Grant still firmly in command of both.

But the Ladies Championship is quite close at the top with only 8 points separating the top 2 ladies. Danielle Bartlett is leading the Ladies Championship and is a Junior. She has also scraped into the top 10 for outright Club Champ, and as a result is the only person to appear on all three tallies this month! Could we have a junior win both the Outright and the Ladies competitions this year? It seems highly possible at this stage, and might just be a first for the club. Very interesting!

The below results are as up to date, as of the end of September 2010, as no championship events were scheduled for October. Please note that I have not included results for the Member's points tally, as KEP sign on sheets are still trickling in, and may have a big effect on standings.
