PRESIDENT'S REPORT

I have just left the Foreshore down on the Harbour where a most unfair competition is taking place. It is our Annual Concourse. I left before someone was nominated to be the judge of the TC class.

There are two magnificent examples on display, owned by club members **Jeff Newey and Peter Finlay**. This is the first time the fully restored machines have been displayed at our concours. The problem is that there can only be one winner,

I'm glad I got out of there so I would not have to part of the decision judging. (See report and photos elsewhere in this magazine.)

All is now in place for the settlement of the sale of the annexed property of our Ringwood Park holding. The Title Deeds are completed and released and a date has been set for the settlement to take place.

We have retained our 14 hectare Hillclimb/Motorkhana/cross site as it was originally agreed more than 12 months ago. The outcome was brokered by the club's negotiating team of **Darval Thomas, Doug Rae, Bryn Baverstock, Peter Robinson** and I with the help of **Graeme Jensen** (our Solicitor).

As has been suggested on the World Wide Web there was no input from **Vince Sunter**, who had caused unnecessary concerns to members by his circulated inaccurate and ill informed emails.

The Annual General Meeting (AGM) was held in November and most of the Committee was re-elected

unopposed. **Darren Hodgson, John Roach and Dave Durie and Joy Bower** have retired and they have been replaced by **Martin Reeves, Paul Bower and Sue Thomas**. At the last Committee Meeting **Dave Atkins** was appointed to the vacant portfolio of Motorkhana/Khanacross. With the re-elected members and the new members I feel that we have in place a very experienced and hard working team.

As there was a change to our Constitution at the AGM, it is now advisable to review the wording of our rules to ensure that there are no Model Rules that ours do not already address.

This means that any thing in the Model has to be adapted for our purposes. The committee is meeting to review any of the rules that need to be considered, as well as the alignment of the cross reference errors that appear in ours at the present.

There is called an Extra Ordinary General Meeting to be held before our regular club night meeting on 14th January 2011 to put our rules in order. Our constitution and the proposed changes will be put onto our web site for your viewing. If you are unable to access the site please call and ask for a copy.

Remember, support the supporters who support your sport.

John Collins.

FOR SALE Khanacross buggy

Price \$12,500 o.n.o.

The design was by Arthur Jackson.

The owner Graeme Lomas built the car in 2002.

The buggy has been used in NSW State Khanacross Championship events between 2002 and 2006 and gained a number of Outright top three placings.

The car is ready to run as is.

Fuel used must be 98 octane (no alcohol supplement like Shell V Power)

A Suzuki Cultus (Japanese version of Suzuki Swift GTi) front cut was purchased in 2001, it included the engine, radiator, gearbox, axles, front brakes, wiring harness and ECU.

The engine and gearbox are in standard form.

It has a fiddle handbrake which can lock one or the other rear wheel.

The trailer is a lightweight full metal construction unsprung trailer (hot dipped galvanised).

Contact Graeme Lomas mobile 0407912798 or Michael Snow 0432 772 044

JOPOFOTO

LAND PANEL by Alan Bates

Another year has come and gone and the work never seems to go away. Progress at Ringwood has been ongoing, with emphasis on preparing our safe house for use in the event of a bush fire.

The main focus has been on ember-proofing the toilet block. The task is almost complete, only the ladies end of the building will need a finish coat on the door then locks can be fitted to both ends along with the draft excluders and the job is complete.

With the completion of this project we will now concentrate on the repairs and refurbishment of the Club Rooms at Cobby St. whilst continuing with the ongoing maintenance and the upgrading of the Ringwood facility.

Change, will become evident over the next year as we continue with the upgrading of all our facilities. The new water tank has been connected to the guttering on the shower block.

The last of the KEP gear has been returned to the containers. Khanacross tracks have been prepared and the event was run. General maintenance of the grounds have been ongoing, whipper snipping, lawn mowing, filling edges of Hillclimb track, and roadwork's on the entry road etc.

The tyre barrier near the finish has been moved. Started on improve-

ment to overall safety of safe-house area. Establishing an asset protection zone. Stump removal in various areas to improve our usage of the land. Have pencilled in the following days as working bees for the club rooms for 2011.

Saturday January 29th / February 5th

Could all available members please advise as soon as possible!!!

In closing I and the rest of the regular **DAD's ARMY** (Doug Rae, Eric Chandler, Lyall Clarke, Ken Short and Michael Snow) and the occasional reserves, appreciate the kind words regarding the presentation of the facility at Ringwood. A special mention to Darryl Gregory for his extra efforts.

It is also pleasing to see that the majority of the committee were returned unopposed to continue with the work and the running of the club, for this we thank you for your vote of confidence, and we will endeavour to continue with our quest for continued improvement into the future. Alan.

NO OFFICIAL WORKING BEES

WILL BE HELD AT RINGWOOD PARK FOR THE REST OF THE YEAR OTHER THAN THE OCCASSIONAL DADS ARMY DAYS ON THURSDAYS. YOU ARE WELCOME TO COME & HELP. PLEASE BRING GLOVES & A HAT BUT RING FIRST TO CHECK IF WE ARE THERE

SECRETARY'S REPORT by Andy Peters

On this fine December day I would like to say "Thank you" for believing in me and showing a vote of confidence by electing me as Secretary for a further 12 months to represent you for another year on all club matters.

The competition year is fast running to a close, with the ever important concourse coming up very soon. This is one event that gives every Club Member the opportunity to enter their car, there is all the Marque classes, all the NAMS's classes, so there is a spot for all machines, so be proud of the vehicle you have driven either in completion or socially.

One might ask "Why Do It, Mine will never win" but you may be pleasantly surprised, and it is a great thrill to see your car lined up with all the rest in class order.

One of the major side benefits is that once a year you give your car a really good clean, from top to bottom and underneath then there is the engine bay, and one must not forget the inside as well. Be proud of our club let the public see just how big we are.

There has been a premium site booked on the foreshore, the best spot in town to show off your car, ask your mates to come along to see your car with all the rest.

The really exciting news for 2011 is that my little red car will be on the road again.

This year I have been doing a fair bit of official duties at events at Ringwood Park. If you are interested in doing this, the club is big enough to have an officials' group or sub-committee, without officials the events cannot go ahead.

One can have a very pleasant day being up close to the action, seeing the excitement on the competitors faces when it all comes together and they achieve a good or better time, of the shake of the head it doesn't go so well, or they cross the finish line rear bumper first (not the quickest way).

Looking forward to seeing you next year.

Andy Peters

REGISTER NEWS by David Walker

A very brief report for this month as the November Register Run to our Concours at Newcastle Foreshore will be over by the time this is published.

Traditionally there is no Run in December because of the busy Christmas Season, so we will talk a little about next year.

January Register Run will be to the Raymond Terrace Australia Day Celebrations at Riverside Park, across the road from the Junction Inn at Raymond Terrace. Leave the clubrooms at 7.30am for the run which is always a relaxed way to spend Australia Day.

With entertainment, stalls, food and good company, who could ask for anything more - well maybe sunscreen, hat, mozzie repellent and a comfortable chair.

February Register Run may be a breakfast run or a practise touring assembly (in readiness for our National Meeting in April, since we don't do a lot of them).

On behalf of Lesley and myself may I wish everyone a Merry Christmas and a safe New Year.

'B' seeing you, DAVID.

EDITORIAL by Judith Rae

Well I have filled in another job for 12 months. That's the trouble when you have held a lot of the positions on committee, they know you can do the job.

As for Membership Secretary, when I was Secretary of the Club many years ago, it was part of the job then to do the memberships, so yes I know how to do the job. I have also helped Joy out a few years ago when she went on holidays.

I surprised myself with the computer skills I learned putting the magazine together this time. compared to when I did it last time. I use to print out a hard copy, take it into the printers who put the commercial ads in and the photos as I did not have the software or the skills to do these things. I was able to create some of the local ads myself which I have increased my talent there as well.

Now I am able to fully complete the magazine with Ads and photos

convert it into a PDF and email it to the printer. I might add that any assistance I needed along the way Mike Cole (Your new editor) was always there to help me out, also my son James was a great help as well..

Mike has been an important part of the editorial team printing out the labels and posting the magazine.

I hope the new committee support Mike by getting their articles in on time as they did for me (even if I had to give them a few gentle reminders.)

Bye for now.....Judith

**PLEASE NOTE NO JANUARY MAGAZINE
PRINTER CLOSED**

Deadline for FEBRUARY Magazine

Rocker Cover Racing Night

January Club Night 14/1/2011

At Club Rooms, Cobby St, Birmingham Gardens.

This will be a practice run for the MG National Meeting at Easter. However at our club nights your Rocker Cover Racer can be from any vehicle, so long as it complies with the rules. Track surface is timber and well weathered so choose your tyres wisely. Bring along your Rocker Cover Racer and join in the fun. You will have plenty of time over Christmas to build your racer to your own spec.

Racing entry is free.

PS. Yes, helmets are optional.

RULES NEXT PAGE→

ROCKER COVER RACER RULES For MGCC Newcastle Club Nights

The Racers

- The racers cannot have any power source. Gravity only!
- The rocker/valve cover wheels must fit on 600mm start pad.
- The racer shall not be more than 40 mm longer than the rocker/valve cover.
- Racers shall have four wheels of not more than 155 mm diameter.
- Wheel track shall be not more than 200 mm.
- Maximum weight shall not exceed 3 kg.

The Course

- The decline will be 1.5 metres long followed by a level run of 6 metres.
- The decline shall be divided into 2 lanes each 450 mm wide.
- The decline shall be 600 mm high at the starting line. The front of the decline will be bevelled to give a smooth transition to the run-out area.
- A mechanical starting gate may be employed.
- The run-out section shall be of 2 lanes 900 mm wide. The lanes shall be clearly marked.
- The finish line shall be marked 6 metres from the front edge of the launch decline.

The Race

- One entry per racer.
- Each heat will consist of 2 racers
- The first round of heats shall be the best of 3 runs on alternate lanes. Following heats shall be sudden death knockout.
- The racers will start with the front of the racer against the starting pin.
- The first racer to cross the finish line within its lane is the winner. If neither racer makes it to the finish, the one going the furthest distance within its lane wins. Any racer that crosses a lane marker shall be deemed to have finished the race at that point. Winning racers will advance to the next round until all are eliminated except one which becomes the outright winner.

BUILD YOUR CAR, RACE AND HAVE FUN

SOCIAL NEWS by Rose Cogger

No lucky number winner at the November Club Night so it now stands at \$300.

Cost at club night from January 14th 2011 will be \$3.00 with a lucky door prize.

January 14th 2011 club night will see the start of the running of the Tap-pett Cover racing in preparation for the MG National to be held in Newcastle over the Easter weekend.

There was a large number raced at the 2010 Adelaide National Meeting and we expect this number to increase. So build one, come along and give it a go. (see Pages 13/14)

A fun night was held at Andy and Shirley Peters' home for the November Natter night. The weather was perfect and several participants were caught jumping into the pool,

even competing in lap pool races A thank you to Shirley and Andy for a pleasant evening.

The next Natter night will be held at Helen and Bryn Baverstock's home at 147 Warners Bay Road, Warners Bay, on Saturday 22nd January. Phone no: 49657137. Bring your barbecue supplies, desert and BYO drinks for what should be a very enjoyable evening.

The February Natter Night will be held at Bernadette and Brian Ford's new home at 25 Morse Street, Speers Point, on Saturday 26th February Phone no: 49530825.

FIVE THINGS YOU PROBABLY DON'T KNOW

Your mobile phone can actually be a life saver or an emergency tool for survival. Here are a few things that can be done in times of grave emergencies.

(1) The Emergency Number worldwide for a Mobile is 112.

If you find yourself out of coverage area of your mobile; network and there an emergency, dial 112 and the mobile will search any existing network to establish the emergency number for you, and interestingly this number 112 can be dialed even if the keypad is locked. Try it out.

(2) Have you locked your keys in your car?

Does your car have remote keyless entry?

This may come in handy some day.

Good reason to own a cell phone: If you lock your keys in the car and the spare keys are at home, call someone at home on their mobile phone from your cell phone. Next hold your cell phone about 300 mm from your car door and have the person at your home press the unlock button, holding it near the mobile phone at their end. Your car will unlock.

Distance is no objective, you could be hundred of miles away, and if you can reach someone who has the other remote for your car, you can unlock the doors or the boot.

(3) Hidden battery power!

Imagine your mobile battery is very low.

To activate, press the keys *3370# your mobile will restart with this reserve and the instrument will show a 50% increase in battery.

This reserve will get charged when you charge your mobile next.

(4) How to disable a Stolen mobile phone?

To check your mobile phone's serial number, key in the following digits on your phone *#06# .

A 15 digit code will appear on the screen. This number is unique to your handset. Write it down and keep it somewhere safe.

When your phone is stolen, you can phone your service provider and give them this code.

They will then be able to block your handset even if the thief changes the Sim card, your phone will be totally useless. You probably won't get your phone back, but at least you know whoever stole it can't use/or sell it.

(5) ATM - Pin Number reversal, Good to know.

If your should ever be forced by a thief to withdraw money from an ATM machine, you can notify the police by entering your pin # in reverse.

For example, if your pin number is 1234, then you would put in 4321.

The ATM system recognizes that your PIN number is backwards from the ATM card you placed in the machine.

The machine will still process the money required, but unknown to the thief, the police will be immediately dispatched to the location of the ATM.

Regards **Greg Hunter**

CONGRATULATIONS AMY MRCELA

MG Car Club Newcastle member, Amy Mrcela won the Newcastle Challenge Mattara Hillclimb this year, (incidentally being the first female to do so!) and then finished the year off by winning the last Tar Speed Event at Ringwood with a stunning time of 29.42.

Having competed against Amy for the last three years, I know that these results are the well-deserved culmination of lots of hard work, practice, development (of car & driver) and determination, not to mention, of course, skill! (I had better add here also, the names of Dad, Grant Cook and engine builder, Ben Durie, who have developed the car mechanically).

Looking back at her results at events when the car was first run, shows what a remarkable achievement her recent results are. Interestingly enough, Amy is quicker than her competition at the difficult tracks - the ones that require courage and gritted teeth, like Kempsey and King Edward Park, not the "safe" and easy ones like Tamworth.

Having always been a driver who looks at every split time, analyses every corner, gear change point etc, I find it interesting to see where Amy has improved. Of course, the car has been developed with increased power, new tyres, suspension etc., but the times show more than that. It is the quicker reactions out of corners, mental resolve in the tricky bits and the willingness and skill to drive around any problems and deficiencies the car may have and then to make up for them.

Not to make too fine a point, to my knowledge, Amy joins a group of only four Club Members who have lapped Ringwood under 29.5 seconds - Peter Finlay (March 77B s/c - 28.8); the amazing effort of Frank Mangano in September this year (29.25) and yours truly in 2007 (29.45). (Errol Mayo, Greg Hunter, Ron Hammond and Ben Morley have also cracked the magic "under 30.00 second" barrier.)

I know that I and the other competitors in the Under 2 litre Formula Libre or type 5 classes will be looking at their cars and scratching their heads over the holiday break, thinking "What if I . . . or Maybe I could just . . ."

Peter Robinson

EITHER COMPETITION OR SOCIAL

CAPTAINS REPORT By Scott Mc Garry

The year is almost over and all series championships have been decided. The outcome for the outright Club Champion, Ladies Champion and Junior Champions are also mostly decided, although at least two events are yet to take place. The Ladies Championship is still open, and it is mathematically possible that either of the contenders could win.

Please see below the lists of all trophy winners for the various series championships, and the leading contenders for the various outright championships. The below competition results are up to date as of 21 November 2010, although for the Club Member of the year a small number of sign on sheets are outstanding.

MotorKhana	Class	Points	Final Place

MG ANNUAL CONCOURS

Alan Beatty—Chev

Fran Hodgson— MGZS

Mother Nature was much kinder to us this year so the small number of cars that turned up was disappointing.

This great area will be the venue for the National Meeting at Easter so even if Concours is not your “thing”, doesn’t your pride and joy deserve a good detail at least once a year? Thanks to Darren for all his help setting up, Lesley for taking entries, Bryn for last minute judging and handing out certificates and Rose & Marea for trying to get the BBQ going even if not successful.

Trophies will be ready for Presentation Night.

Event Organiser: Fran Hodgson (Results next page)

Tar Speed	Class	Points	Final Place
BURGESS RAYMOND	30	67	1st
CLEMENS TOM	3U	74	1st
STOUT LEIGH	3U	52	2nd
