PRESIDENTS REPORT

The Club Night on Friday April 12th was supposed to be another MG themed night, but again the MG Newcastle dealership were not ready to do their presentation. They have emailed me promising that they will definitely be here on Friday night (10th) for the May Club Night. Hopefully 3rd time lucky!

Rounds 3 of the NSW Hillclimb Championship was held at Fairbairn Park (Canberra) on April 7th where there were 11 of our members competing. James Pearson setting a new record for his class. Unfortunately, due to crowding of our calendar, this event clashed with our Ringwood Hillclimb on the same date and may have contributed to a slightly smaller field than normal.

Our first Motorkhana was held on 14th again wasn't as well attended as we would like with just 5 adults, but a pleasing group of Juniors making up the field of 10. This was an event of two seasons with dry and very dusty conditions to start with until a heavy shower changed all that. Times improved after the rain! We must develop a successful means of wetting down the 3 areas to make conditions more pleasant for both the competitors and officials.

There was a successful working bee at the Club Rooms on Thursday 18th April. The removal of redundant equipment and unused materials in the store was achieved. The two front paths and the front wall was pressure washed as was the southern end wall. A persistent roof leak was fixed and will now allow for the ceiling section to be repaired. Unfortunately, other than "Dad's Army" regulars, there were no others on hand to assist with the still large list of things to attend to. Hopefully we can see more involvement next time we schedule a working bee at the Club Rooms.

The 50th National Meeting was again a very successful one for our Club. Congratulations to all who participated under trying weather conditions. There were some significant wins, but I leave that for others to report, hopefully in this magazine. I can report however, that we had our representatives at the delegates meeting, make an offer to run the 2022 National Meeting. That offer was accepted so I guess now is the time to start work on what we know is a major project for any club.

While searching for the results on the web, I came across a site that lists results for most of the past National Meetings of MG Car Clubs. The first was held in Sydney back in 1970 and at the time wasn't an MG car only event. We were well represented and managed to take out 2nd place in the Club rankings behind MGCC NSW. I understand that it appears we may have achieved a similar result this year but with Victoria taking the honours. (I still have not seen the results from the 2019 Nat Meet, so this is based on hearsay)

I am writing this report after the Day/Night Khanacross that was held yesterday. I was again happy with the way it went with 20 starters doing the full Dirt/Tar event and a further 7 doing the Tar only sections. It looked as if dust was going to be a problem on the dirt courses, so I decide to try applying some water using the now operational water cart trailer. I was able to deliver 5000 litres to the tracks and thanks in part to the

PRESIDENTS REPORT

7/7/

overcast and slightly cooler weather, this did the job much better than I had expected. Result.... virtually dust free runs for the full event. The method of application can be improved so hopefully dusty Khanacross tracks can be a thing of the past. Entries for the TRI CHALLENGE Hillclimb have been slow coming in so far, they close on Wednesday 15th so if you are intending to have a run, please get that entry in before 5.00pm on 15th. We need to be well represented to try to hold the Kempsey Club in check! Don't forget that this is also "A Biggest Morning Tea" Event – enjoy it! Steve Mcleod has stood down as Speed Event Co-ordinator due to ongoing work commitments making it difficult to fulfil the role in the way he wishes to. I have thanked Steve for the work he has done over the past 18 months or so, as I think all hillclimbers would agree is very appropriate, Bryn Baverstock has accepted an appointment to the role, and we welcome him back onto the Board. There is now just one Board position that was not filled at the AGM, that is, "Event Co-ordinator'. The position of "Social Secretary" will be again occupied by Rose Collins for the remainder of this year once approved by the Board. (Which I' sure it will be). Just as Rose has done, it would be great if someone could come on board to fill the

remaining position and help lighten the load. If you are in any way interested, please

I hope to see you at one of our events soon......Dave.

give me a call.

REGISTER CAPTAINS REPORT

As I write this report I have now received the names of 24 starters for the Register run to Central Mangrove for lunch on 5th May which is of course the day before magazine assembly so I will report on that outing at a later date. Thanks to all those who responded for my call to attend as well as the apologies received.

The next event of interest to car enthusiasts is the annual Tilligerry Motorama on Sunday 19th May at Tanilba Bay. Unfortunately this event clashes with our Tri-Challenge hillclimb weekend and Big Morning Tea at Ringwood so there is no organised Register Run as we have done in the past. It's a big event with around 400 cars on display. Oh well, maybe next year!

The next major Register Run organised by our Club is the annual Xmas in July weekend and that is set down for the weekend of 27/28 July. This year we are going to Wingham near Taree and we are booked in at the Golf Club Motor Inn Wingham (this is not a golfing weekend) for the Saturday night and they will provide us with a traditional Christmas dinner. I already have 5 couples booked in so far so if you would like to join us on that weekend, please let me know soon. No money is required at this stage. I am putting a program together for the weekend from extensive information provided by the Motor Inn so we should have an enjoyable weekend away.

I look forward to catching up with you at one of our Club events soon.

2019 NATIONAL MEET

This year's NatMeet was based in Cleveland, on Redlands Bay east of Brisbane. It was advertised as the "Golden Jubilee" 50th National Meeting, as the first meeting was held in 1970. Numbers were below what the Queensland host club had been hoping for, with total entries not much above 200. The Newcastle team was relatively strong at 20 entrants, including 13 competitors:

Phil Redhead - TC

Bruce Fraser - MGA

Jeff Newey – MGB Mk1 (pull door handles)

David Walker – MGB Mk1 (push button handles)

Lyall Clarke, John Collins, Dale Powell, Michael Fraser and Raechel Fraser - MGF

Fran Hodgson and Darren Hodgson O Modern Saloons (ZR)

Bryn Baverstock - MGF-TF

Doug Rae – New Era (MG6)

The weather over the weekend was not ideal, with showers affecting all 3 days of events. The concours was most affected, with regular showers and strong winds making the beachfront park location quite unpleasant for much of the day. Team Newcastle did quite well at the concours, with Phil Redhead wining the TC class, Jeff Newey taking 3rd in MGB Mk1, Lyall Clarke and John Collins getting 1st and 3rd in the

MGFs, and Fran Hodgson winning the Modern Saloons with the immaculate ZR. Fran went on to win the outright Post-1980 class also.

Saturday Night was the "Time Travellers" theme night. Our team went as a throwback to the 70's, in tie dyed T shirts and flowers in their hair! A great time was had by all, particularly 4 year old Chloe Fraser who entertained everyone with her "pole dancing" on the disco platform.

Sunday started cool and damp for the Hillclimb and Observation Run. The Hillclimb was held at the Queensland club's Mount Cotton venue, and all of our competitors except Phil Redhead took part. Our team acquitted themselves very well, with class wins to Jeff Newey, Michael Fraser and Darren Hodgson, 2nd placings to Bruce Fraser, Dave Walker, John Collins, Bryn Baverstock and Doug Rae, and 3rd placings to Lyall Clarke and Fran Hodgson.

Phil and Marta Redhead competed in the Observation Run, but unfortunately finished equal 4th in their group.

Monday's motorkhana was held in the carpark of the Sleeman Sports Complex at the nearby suburb of Chandler. The 3 events were Jellyfish, Craziest Square and Bent Slalom, all being unfamiliar to most competitors. This and the sloping surfaces led to more WDs than we've seen for many years. Conditions were damp early on, but then dried out except for a shower in the middle of the day. Newcastle performed amazingly well, with class wins to Bruce Fraser, Jeff Newey, Dave Walker, Michael Fraser and Darren Hodgson. Second placings went to John Collins, Fran Hodgson and Bryn

Baverstock, and Raechel Fraser took 3rd place for a Newcastle clean-sweep of the MGF class. Michael Fraser topped off a great day with fastest time outright. In fact, Newcastle competitors filled 5 of the top 10 outright places!

The presentation dinner was another great night. Fran Hodgson received her outright concours trophy and also the Joan Richmond Trophy for the highest score for a female entrant. Michael Fraser was awarded the outright motorkhana trophy, and Chloe Fraser was presented with a special MGCC "Benji Bunny" stuffed toy as the youngest registered entrant. The Wratten Memorial Trophy was won by Victoria, with Newcastle securing 3rd place among the 15 clubs. The Nuffield Oceania Trophy was won in by Queensland, with Newcastle finishing a very creditable second.

Next year's NatMeet will be hosted by the Victoria club at Albury Wodonga, with a promise of a new speed event venue that looks like it will be a lot of fun. Hope to see you there.

Bruce Fraser

We are very excited to announce that we have volunteered to host the 2022 National Meeting. It will be 11 years since we last hosted in 2011 and 11 years before that in 2000, both successful and enjoyable Nat Meets. We will be calling for members to be involved in the planning of our next Nat Meet soon, as we pull together an organising committee. If you are interested in being involved please contact Lyall Clarke or Fran Hodgson.

WHO KNEW (the rule)

Our motor sport is governed by many rules, some of which are quite complex to find, let alone understand. Many times, you will be referred to the "Current CAMS Manual of Motor Sport". Unfortunately, since the introduction of the internet and everything being available online, the book has shrunk dramatically from what it was even 20 years ago. It should now be called "CAMS National Competition Rules and Appendices" because that is pretty much all that it covers. OK it does also cover the who's who in the (CAMS) zoo, but little else.

When it comes to finding the "Sporting and Technical Regulations" that cover the many disciplines at various levels from Club to International, you must go online, and with skill (and perhaps a degree of luck) you will be able to find what you are looking for (most of the time!)

There are a few simple rules that we all understand reasonably well and for most of us we are well served by them and experience no inconvenience in following them. At Club level events, it is my experience that there is quite a bit of lenience when it come to things like vehicle eligibility, often this is because we are there to have fun and the issues are easily overlooked because scrutineers quite rightly concentrate on safety inspections, rather than eligibility.

The National Competition Rules are a bit stronger on this: - NCR 194 states: - 194. INELIGIBLE AUTOMOBILE

"When an automobile has been found to be ineligible the Stewards of the Meeting or other judicial body shall disqualify it from at least the relevant competition/s (e.g., practice, qualifying, heat, or race)."

It is the Entrant's responsibility to know ALL the rules applicable to the category for that type of event.

There are two important things to remember: Ignorance is no defence.
If a freedom isn't available in writing, then it doesn't exist!

Thankfully most people do the right thing. MORE NEXT MONTH......

MG CAR CLUB WEBSITE TIPS

Here is the top menu layer of the website.

About Us Club Runs Motorsport Club Info Ringwood Hire Contact

The menu items across the top of the screen have drop down menus. Just below the top menu, the sliding pictures show adverts for the next few events. Clicking on the picture will take you to the event page where the Supplementary Regulations and Entry Form are stored and can be downloaded.

On a number of the menus, the Calendar selection displays different event items depending on whether the event is categorised as Motorsport, Club Runs (non motorsport). The Motorsport events are additionally filtered by event discipline of Hillclimb, Motorkhana, Khanacross, Supersprint, Circuit Racing, Young Driver Training and MG National Meetings.

The results of any event are found on the individual event page and the Motorsport / Results Archive menu.

REGISTER SECRETARY REPORT

We had seven Historic Registration transactions through the Club in April including two new vehicles as follows: -

1972 Chesney Camping Trailer 1967 Austin Healey

I am taking holiday from middle of May to middle of June and Jacob Motum has agreed to take over Historic Vehicle Registration duties in my absence. You can find Jacob's contact details under THE BOARD listings in the Car Club Magazine.

I will email individually members who from my records will have Registrations due while I am away and let them know Jacob is the person to contact.

AUTOTEST REPORT

The 14th of April had us running our second motorkhana for the season. It was only a small field but still an enjoyable event. Of particular interest was the weather which saw dry conditions in the morning, but rain after lunch. This gave us the unique opportunity to attempt the same test in both dry and wet conditions. I'm not sure if it was the lack of dust, or the recent practice, but the majority of the field were actually faster in the wet conditions then they were in the dry.

First place went to Paul Boland having set the fastest time on many of the tests. Second place went Matthew Carmody, managing to limp the poor Echo to the end of the day after almost destroying the clutch in a spectacular and smoky fashion. Third belonged to Chris Burrows, after his sense of direction started failing him, also in spectacular fashion at one point (or maybe that was just the red mist?).

On Saturday the 27th we held our first Day/Night event for the year. The lack of any significant moonlight made it tricky to see later in the eventing, and those drivers with poor headlights were definitely at a disadvantage. Other drivers took the chance to show off by adorning their cars with everything from LED light bars to flashing valve stem caps.

In the tar competition we had Joel Buckland take first place in his immaculate 200SX. Samual Hadley in the very flashy Forester finished in 2nd. Robert Mitchell was only a fraction of a second behind as he slid his Corona around the track and into 3rd. In the combined event Ben Semple was the man to beat, with his speed on the dirt proving untouchable, setting the fastest time on every test. Troy Morley also in an Impreza came in 2nd. Third place went to Bradley Clarke in the Pulsar after setting some impressive times on the dirt.

We also tried something new at this event by wetting down the dirt tracks with water between tests. This saw a major reduction in the amount of dust created and is something that the club will be looking into for future events as well.

As always a very big thank you goes out to all the officials for their help in running these events.

We now have a short break from the autotest events, with our next one being the Motorkhana on Sunday 23rd June.

Cheers, Chris Fernance

CLUB CAPTAINS REPORT

Hi all,

It is very early days in this year's competitions, but I have shown the leaders, as at 1/5/19, for three of the major trophies.

Cheers, Gregg

FOR SALE Motorkhana/Khanacross Buggy.

The design was by Arthur Jackson. Graeme Lomas built the car in 2002. The buggy has been used in NSW State Khanacross Championship events between 2002 and 2006 and gained several Outright top three placings before coming to Newcastle.

The car is ready to run as is. Fuel used is 98 octane from the pump. It is powered by a Suzuki Cultus (Japanese version of Suzuki Swift GTi) engine, & gearbox. The engine and gearbox are in standard form. It has a fiddle handbrake which can lock one or the other rear wheel. It also fitted with a brake bias control for adjusting breaking force between front & rear.

Custom built unsprung trailer is a lightweight full metal construction (hot dip galvanised.) Trailer is registered until 25/10/2019 is included in the sale. Does not require a brake controller and is cheap to register.

The car comes with some spare parts, a full vinyl cover and a comprehensive set of VisionX LED lights ready to fit for the Day / Night Khanacross events.

This buggy is capable of winning Motorkhanas and Khanacross events at any level. Asking Price \$8200 ONO
