## PRESIDENTS REPORT

The Club Night on Friday night 10<sup>th</sup> May saw us finally hosting a representative from Newcastle MG, with their sign written MG GS small SUV. Those who attended gave it a thorough going over under floodlights. It appears that SIAC don't have any real plans to release a proper sports car any time soon, despite some very appealing prototypes having been built. Nor does it appear that manual gearboxes will appear in any of the models they will release to the Australian market. All of which to traditional MG owners and others, is somewhat disappointing.

Entries for the TRI CHALLENGE Hillclimb were slow coming in and didn't reach the numbers we had hoped for. However, we were well represented while Kempsey and Tamworth only had single digit numbers entered. The "Biggest Morning Tea" Event – arranged by Jennean Bates was quite successful even with the small field of competitors compared to the corresponding event last year. Well done to all involved.

We now have a full Board with all 3 vacancies that existed after the AGM now filled. If you wish to know what is on or to check a coming event, Rick Vincent has now taken on the role of Event Co-ordinator for the remainder of 2019. Thank you, Rick.

Ringwood continues to be a hive of activity, with the Thursday working bee crew getting on with many projects and routine maintenance tasks. The opportunity to do some private practice & or testing on a Thursday is proving popular also with at least one person signing on each day during May.

June will be quite a busy month also with the C&T Hillclimb (already held on the 2<sup>nd</sup>.) The Mazda Car Club Hillclimb on 16<sup>th</sup>, YDDC on 22<sup>nd</sup>, and Motorkhana on 23<sup>rd</sup>.

The Hillclimb will also be available for private practice and testing on Sunday 23<sup>rd</sup> for those who can't make it to the regular Thursday sessions.

If anyone has any suggestions/contacts that they believe would make an interesting guest speaker on any topic for a future Club Night, I would love to hear from you so that we can plan the night and give forward notice to our members and any guests that may wish to join us.

I hope to see you at one of our events soon  
Dave.

# SOCIAL SECRETARY

The next Club Night will be June 14<sup>th</sup> 2019 at the Cobby Street Club rooms.

A representative from the MG Dealership at Gateshead attended the May meeting and advised members of the latest MG vehicles on offer. An MG 3 vehicle was displayed outside the clubrooms and the sales have been much better than expected.

## **Pop the following in your Diary:**

With the weather warming up in August Joy and Paul Bower have invited members to their home for a Natter afternoon.

The date is Saturday 31<sup>st</sup> August from 1.00pm. The theme for the afternoon will be European food and deserts. This will give us a wide choice and it's BYO.

Joy and Paul's details are listed in the magazine, if you require this to help with directions.

A big thankyou to Chris Finch and Libby Fernance for assistance with club nights over the past several months this was very much appreciated.

Bernard Corbett 0429 009 150 or Greg Hunter on 0412 493 711

## REGISTER CAPTAINS REPORT

As reported last month we were about to go on the Register Run to Central Mangrove and that happened and it was a very successful day with 29 attendees. We had an enjoyable lunch in a private room at the Memorial and Golf Club which is perched on the top of the hill with 180 degree views of the golf course and surrounding countryside. A great day out and a nice drive though the area.

The next event of interest to car owners is the Euro Motor Fest at Newcastle Foreshore Park on SUNDAY 16<sup>th</sup> JUNE from 8.30am and presented by MGCC Hunter Region. If you intend to display a vehicle, entry cost is \$10. In the event of wet weather, an alternative date has been set down for Sunday 30th June.

XMAS IN JULY is our next major event on the weekend of 27/28 July and we are going to Wingham/Taree for the weekend. We will be staying at the Golf Club Motor Inn at Wingham. Website [www.golfclubmotorinn.com.au](http://www.golfclubmotorinn.com.au)

An approximate program has been organised with the help of members Wayne and Bronwyn Lewis who live in the area which includes a visit to the National Motorcycle Museum at Nabyac on the Saturday on route to Wingham (many of you have been before but they do have old cars now as well), and a get together for drinks prior to dinner at the Motel. On Sunday morning we will have coffee in Taree before a visit to the Edstein factory where granite kitchen benchtops and tables (and headstones) are made from Turkish granite. A detailed program will be provided to those who commit to the weekend.

So the time has now arrived to advise me of your attendance for this weekend as I am sure you will appreciate I need to firm up bookings for the accommodation and the dinner. PLEASE get back to me ASAP. I already have 16 starters for this weekend

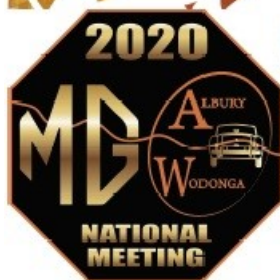

I look forward to hearing from you for what should be a great weekend away.

BULLETIN ONE

# 2020 MG Nat Meet

## Albury - Wodonga

### Your Invitation

This is your personal invitation to join the MG Car Club Victoria for the 51<sup>st</sup> running of the MG National Meeting.

The event will be held in the twin cities of Albury – Wodonga over the Easter Weekend, 10<sup>th</sup> to 14<sup>th</sup> of April 2020.

The location has been especially chosen for its central position to encourage all our friends from interstate to join us in celebrating 50 years since Victoria ran its first National Meeting in Melbourne.

We look forward to welcoming you and your MG for a fun filled weekend in Albury – Wodonga

### All the traditional activities and events will be included over the weekend.

The Concourse will utilize Gateway Park on the mighty Murray River shoreline.

Social events will be held in top class Council owned facilities in both Albury and Wodonga.

Our competitive comrades won't be disappointed with the 1.6km track at the Wodonga TAFE where the Sprints and Motorkhana will be held.

Accommodation is plentiful and ranges from Resorts along the Murray River, Caravan Parks and Hotels / Motels in Albury – Wodonga, some within easy walking distance to the social events.

However, please book early, as the area is very busy over Easter

## All Venues Centrally Located

The Regional location will ensure close proximity and short commuting time to all events and activities.

### Friday - Registration & Noggin n Natter

Will be held at "The Cube" in Wodonga. This Council multi-purpose facility will be ideal for Friday Registration and Noggin n Natter including the Rocker Cover Racing plus Tuesday's Farewell Breakfast.

### Saturday - The Concourse

Gateway Lakes Park is halfway between the two cities on the banks of the Murray River. It is a wide-open space with plenty of room for all our cars. The adjoining Arts Precinct is also worth exploring.

### Sunday and Monday - Speed Events

Wodonga TAFE Logic Centre will be the centre of activities and boasts a tight very technical 1.6km track, which will test even the best drivers.

### Sunday and Monday - Touring Events

The quaint historic hamlets of Yackandandah, Beechworth, Myrtleford, Rutherglen, Corowa and Yarrawonga await participants of the MG Touring events. You will enjoy the scenic landscape and the questions won't be too cryptic.

### Saturday and Monday - Social Events

The Theme Night and Presentation Dinner will utilize the Albury Entertainment Centre in the heart of Albury.

## WHO KNEW (the rule)

Lodging your entry for a competition event is a routine task for regular competitors, however many don't get it done correctly. This generally means an increase in the work required by the Event Secretary, something that as volunteers these key officials don't require.

One mistake that happens is that the entry form isn't posted to the correct address. The Supplementary Regulations will state where and how entries should be lodged. For Hillclimbs our preferred method is via CAMS Event Entry, with the Entry fee being paid via the Credit card to CAMS who then forward the payments to the Club's bank account, or by Direct Deposit to the Club's Bank account. The "Supplementary Regulations" is again where all this detail is listed. NCR 76 (ii) states: - "For an entry to be valid the entry fee must be received by the organiser prior to the closing date of entries." Should a full field be reached by close of entries and to your payment not having been received, you are likely to be in a situation where you won't get to run, even if you lodged your entry form or electronic version early, but without the payment. It is also important that you post hard copy entry forms to the address stipulated in the Supplementary Regulations as any other address used may see the entry being overlooked completely or received well after it should have been.

Emailing of entries is a valid method, if offered by the Organiser, again this will appear in the Supplementary Regulations if it is. Sending an entry to just any email address associated with the Club will not necessarily arrive at the Event Secretary's email in time. (This happened with 3 entry forms for the recent Tri-Challenge event, the entries were apparently sent to [membership@mgcarclub.com.au](mailto:membership@mgcarclub.com.au) and were not passed on.) The key message is **"READ THE SUPPLEMENTARY REGULATIONS"**

Entry via CAMS Event Entry is very quick and easy once you get set up, but it is important to visit your "Member Profile" regularly to ensure your details are up to date. Information such as your address, phone number, emergency contact details, Club Membership details, car details etc are all up to date, as the information required by event organisers is all sourced from this data. Getting the details of your car correct is also important as it will reduce the risk of you being put into a class that you don't wish to be in. The Class for our events should always show the prefix "MGCCN". The best way to make this clear is to have your car set up individually for each of the event types you run in. Some people do this with the same car listed 3 different ways to cover Club, State and CSCA classes, and it works well for them.

MORE NEXT MONTH.....

## BIGGEST MORNING TEA

I would like to say a very big thankyou to everyone who supported our Biggest Morning Tea held Sunday 19th May. Even though it was a slower day then the last 2 years we still raised an amazing \$1,898!! This included takings on the day, the generous donation from the MG Car Club and some online donations.

It was a lovely morning to hold this with beautiful weather, scrumptious cakes and a staggering 29 raffle prizes on offer. These ranged from a \$100 voucher from the Imperial Hotel Maitland, a wheelbarrow, garden goodies bucket, haircare products, picnic blankets, Tupperware, Maitland Autoparts jack and stands, Supercheap goodies, and lots of other choices for him and her.

Thankyou also to our wonderful raffle prize donors. Your donations helped us sell around 900 tickets on the day.

As some of you are aware this event is very personal to me and the lovely ladies and gents that help pull it together every year I can't thank you all enough. But, thankyou! Your efforts are very much appreciated and it wouldn't happen without you all.

Keep your eyes on the magazine and website for May/June next year when we will host another Biggest Morning Tea for the Cancer Council. Until then, if you wish to donate it can still be done online or feel free to contact me for other ways.

My mobile is 0429817393 or by email [honyjb@hotmail.com](mailto:honyjb@hotmail.com).

Until next year.

# WHY ARE MEN SO HAPPY?

This needs no explanation - and is a fun read, no matter your gender.

## **Men Are Just Happier People!**

What do you expect from such simple creatures? Your last name stays put. The garage is all yours. Wedding plans take care of themselves. Chocolate is just another snack. You can never be pregnant. You can wear a white T-shirt to a water park. You can wear NO shirt to a water park.

Car mechanics tell you the truth. The world is your urinal. You never have to drive to another gas station restroom because this one is just too icky. You don't have to stop and think of which way to turn a nut on a bolt. Wrinkles add character. Wedding dress - \$5,000. Tux rental - \$100. People never stare at your chest when you're talking to them. New shoes don't cut, blister, or mangle your feet. One mood all the time. Phone conversations are over in 30 seconds flat. You know stuff about tanks.

A five-day vacation requires only one suitcase. You can open all your own jars. You get extra credit for the slightest act of thoughtfulness. If someone forgets to invite you, he or she can still be your friend. Your underwear is \$15 for a five-pack. Two pairs of shoes are more than enough. You almost never have strap problems in public. You are unable to see wrinkles in your clothes. Everything on your face stays its original colour. The same hairstyle lasts for years, maybe decades. You only have to shave your face and neck.

You can play with toys all your life. One wallet and one pair of shoes - one colour for all seasons. You can wear shorts no matter how your legs look. You can 'do' your nails with a pocket knife. You have freedom of choice concerning growing a moustache. You can do Christmas shopping for 25 relatives on December 24 in 25 minutes.

No wonder men are happier!

## **NICKNAMES**

If Laura, Kate and Sarah go out for lunch, they will call each other Laura, Kate and Sarah. If Mike, Dave and John go out, they will affectionately refer to each other as Fat Boy, Bubba and Wildman.

## **EATING OUT**

When the bill arrives, Mike, Dave and John will each throw in \$20, even though it's only for \$32.50. None of them will have anything smaller and none will actually admit they want change back.

When the girls get their bill, outcome the pocket calculators.

**MONEY**

A man will pay \$2 for a \$1 item he needs.

A woman will pay \$1 for a \$2 item that she doesn't need but it's on sale.

**BATHROOMS**

A man has six items in his bathroom: toothbrush and toothpaste, shaving cream, razor, a bar of soap, and a towel.

The average number of items in the typical woman's bathroom is 337. A man would not be able to identify more than 20 of these items.

**ARGUMENTS**

A woman has the last word in any argument.

Anything a man says after that is the beginning of a new argument.

**FUTURE**

A woman worries about the future until she gets a husband.

A man never worries about the future until he gets a wife.

**MARRIAGE**

A woman marries a man expecting he will change, but he doesn't.

A man marries a woman expecting that she won't change, but she does.

**DRESSING UP**

A woman will dress up to go shopping, water the plants, empty the trash, answer the phone, read a book, and get the mail.

A man will dress up for weddings and funerals.

**NATURAL**

Men wake up as good-looking as they went to bed.

Women somehow deteriorate during the night.

**OFFSPRING**

Ah, children. A woman knows all about her children. She knows about dentist appointments and romances, best friends, favourite foods, secret fears and hopes and dreams.

A man is vaguely aware of some short people living in the house.

**THOUGHT FOR THE DAY**

A married man should forget his mistakes. There's no use in two people remembering the same thing!

The menu items across the top of the screen have drop down menus.

Just below the top menu, the sliding pictures show adverts for the next few events.

Clicking on the picture will take you to the event page where the Supplementary Regulations and Entry Form are stored and can be downloaded.

On a number of the menus, the Calendar selection displays different event items depending on whether the event is categorised as Motorsport, Club Runs (non motor-sport). The Motorsport events are additionally filtered by event discipline of Hillclimb, Motorkhana, Khanacross, Supersprint, Circuit Racing, Young Driver Training and MG National Meetings.

The results of any event are found on the individual event page and the Motorsport / Results Archive menu.

**FOR SALE Motorkhana/Khanacross Buggy.**

The design was by Arthur Jackson. Graeme Lomas built the car in 2002. The buggy has been used in NSW State Khanacross Championship events between 2002 and 2006 and gained several Outright top three placings before coming to Newcastle.

The car is ready to run as is. Fuel used is 98 octane from the pump. It is powered by a Suzuki Cultus (Japanese version of Suzuki Swift GTi) engine, & gearbox. The engine and gearbox are in standard form. It has a fiddle handbrake which can lock one or the other rear wheel. It also fitted with a brake bias control for adjusting breaking force between front & rear.

Custom built unsprung trailer is a lightweight full metal construction (hot dip galvanised.) Trailer is registered until 25/10/2019 is included in the sale. Does not require a brake controller and is cheap to register.

The car comes with some spare parts, a full vinyl cover and a comprehensive set of VisionX LED lights ready to fit for the Day / Night Khanacross events.

This buggy is capable of winning Motorkhanas and Khanacross events at any level.
