PRESIDENTS REPORT

Last month I wrote about how busy the next few weeks were going to be with a full calendar. The celebration of the 90th Anniversary of the founding of the MG Car Club UK, saw 47 cars arrive at Ringwood and there were many photographs taken, at one stage we had the hillclimb course covered with MGs and a few other collectable cars. By all reports everyone who attended had a great day. Ken McLeod has sent information on our event to MGCCUK, so hopefully once the initial rush of reports is over, we may see some acknowledgement from them.

The State Hillclimb that we ran on the weekend of 31st October/ 1st November saw about the same number of starters as the Round 3 Event we hosted in August. Let's hope the COVID crisis stays much reduced and by next year there will be a better participation rate and that spectators will be allowed in greater numbers, so that we can promote the events properly and engage with our loyal sponsors again.

Thanks you to the small group who came along to Officiate at the event, many on both days, ensuring that the event ran smoothly.

Ron Hay easily won this event and thus claimed the 2020 NSW Hillclimb Championship. Our members who have won their respective Class in the 2020 Championship are: - Denis Russell – Formula Libre 0 -750 cc, Tim Blake - LM Improved Production AWD & FI, Andrew Walker - 2A O & C Sports 0 -1600 cc, Mathew Holt – Gp. 2B Production Sports Over 2000 cc, Grant Liddell – 3J Improved Production 0- 1600cc, Gary Christopherson – Road Registered NLB under 2500 cc, Theo Poteris – RRNLB AWD with Karen Wilson was a close second. Karen also won the Ladies 2020 Championship.

Congratulations to you all and thanks for representing us in such a difficult year.

The Annual Concours is being held at Ringwood, and also the AGM and election of Officers for 2021

The Annual General Meeting as an open-air event at Ringwood, at the conclusion of judging of the Concours. Commencing at 11.30 am, to be followed by lunch provided by the Club.

PLEASE make an effort to attend these two events, even if it is just to have a look at Ringwood to see what it is all about. Less than 50% of our members have been there in the past couple of years and a lot has changed in that time. Work on the driveway upgrade will also be well advanced by mid-November.

There are quite a few of the current Board members who have indicated that they will not be putting their hand up again for next year, and there is the potential for positions to remain vacant, unless new people come forward.

I will definitely not be standing for President for 2021 and am weighing up whether I want to continue on the Board in any role, I still have a passion to see the Club prosper, but I think others need to contribute more strongly if that is to happen.

We definitely need some new people with fresh ideas and enthusiasm to come forward and put their hand up. We must engage better with our members to keep the Club

PRESIDENTS REPORT

strong and progressive into the 2020's.

Remember, you don't have to be a Full Voting member to be elected to the Board (you will become one once that has happened.)

I strongly urge all members to make the effort to be at Ringwood on 15th, either to participate in the Concours and Pride of Ownership Day or just enjoy looking at the cars that others have brought along. Once there I would hope that you would stay for the AGM, so that you can hear the reports on the activities of the year and contribute to the selection of the 2021 Board Members.

Once done, lunch will be provided by the Club, so I hope to see you there.

Dave Atkins.

Club President 2020

RINGWOOD DRIVEWAY UPGRADE

You may have heard that your board has approved the funding of a new driveway into Ringwood Park.

This project commenced in August 2019, a steering committee was then created, with a lot of procrastination during this year, to verify the benefits of the expenditure, it was then agreed to appoint the services of a civil engineer, to design a new road, including enclosed drainage, being the main benefit for this project, also to widen the intersection to the spectator area, increase the size of the Khanacross within the quarry, the design called for a new road being 645 m in length 5 m wide plus a 1.2m wide enclosed drainage, commencing from Italia Road and keying into the asphalt road finalising, near the spectator area.

Tenders were then produced and issued to seven Earth Moving Contractors, resulting in two complying tenders, and one non complying tender.

Following considerable interviews with engineers and contractors, recommendations were placed to your board on the 20th October for the approval and acceptance of the tender submitted by D C B Civil Contracting.

With the completed earth works, Colas Australia will then spray seal, the total area being of approximately 3200 m².

The contractor commenced construction on the 2nd November, and subject to weather should finish on week commencing 7th December this year.

During the construction period, access will only be provided to club members to attend Ringwood events, during Saturday or Sunday, access during the week unfortunately will not be permitted, including those members of Dads Army.

My gratitude is extended to those club members, who assisted with the commencement of this project, the completed driveway will greatly enhance the Ringwood facility.

Kind regards,

Rick Vincent.

REGISTER CAPTAINS REPORT

What a great day we had at Ringwood on Sunday 11th October celebrating the 90th anniversary of the formation of the oldest MG Car Club in the world - the MG Car Club of UK.

This joint outing organised by MGCC Newcastle and MGCC Hunter Region was also a good excuse to get out and enjoy our cars after the Covid-19 winter lockdown. Both clubs responded well to our request with the Hunter Region Club providing 21 cars, many of whom had not been to Ringwood before.

The weather was fine and the procession of 47 cars going around the hillclimb track was something to be remembered. After the procession a relaxed picnic atmosphere was enjoyed by all in the spring sunshine in the paddock area.

Thanks to all who participated and thanks also to the sub-committee from both clubs who made the day enjoyable.

Photos of the day and two great videos filmed by members can be viewed on our website.

ANNUAL CONCOURS AND AGM

Our next and last social event for the year will also be held at Ringwood, on Sunday 15th November. This will be our annual Concours event followed by the AGM being held at Ringwood for the first time. Whilst Ringwood is not ideal for these two events, we decided on this change to comply with Covid-19 rules in relation to large gatherings. Cars entering in the Concours event are required to be in place by 9.00am so that judging can commence. An entrance fee of \$5.00 per car for the Concours will apply. However we encourage you to bring your special car along on the day even if you don't intend to enter in the competition.

The AGM is scheduled to start at 11.30am. Lunch will be provided free to those in attendance following the AGM.

Finally, I wish to advise that I will not be standing for the Board next year. After 4 years as Club Secretary and 5 years as Register Captain, it's time for me to take a break and allow someone with fresh ideas to take my place. Thanks to all those who have supported me during the past 9 years and I wish you and your families all the best for the future.

Ken McLeod

SOCIAL SECRETARY

A big thank you to all those members who attended the Working Bees at the Club Rooms.

A great deal of work has been completed and some repairs still need to be completed. Some of the work attended to.

The safety back door can now be opened from the inside, the outside railing has been painted, the window at the southern end of the building has been covered and the southern end of the building has been repaired and ready for painting.

We have had to wait to find out if we can hold a Presentation Night/Christmas Party but yesterday we were able to book the Charlestown Bowling Club (Club Charlestown), 5 Lincoln Street Charlestown for this event.

Please note the change of date to Friday 18th December 2020.

Please let me know if you will be attending by 1st December 2020 and payment is to be made prior to this date.

I think we are all aware of COVID19 requirements and I'm sure all who attend this event will do the right thing by it.

Payment of tickets to Presentation Night on 18th December 2020 to be deposited in Newcastle Permanent - BSB650000 account no: 898765607 and provide your name

Rose Collins M 0413222828

YOU ARE INVITED!
CONCOURS & PRIDE OF OWNERSHIP
SUNDAY 15TH NOVEMBER 2020

This year our Concours event will be held at Ringwood in conjunction with the AGM to comply with COVID-19 restrictions. Cars need to be on site and in place by 9:00am. There will be prizes for various categories but if you don't wish to compete, bring your special car along to enjoy the day. Lunch will be available on site.

REGISTER SECRETARY REPORT

Since the last report in the magazine 5 new vehicles have been added into the Clubs Historic Register.

1985 Suzuki Carry
1963 Land Rover 109
1964 EH Holden
1990 Box Trailer
1984 Suzuki GSX

The recent 90th Anniversary Celebration of the formation of the MGCC UK at Ringwood was well supported and 47 Historic Vehicles turned up for the procession around the Hill Climb Circuit and the display on the paddock lawns.

Michael Taylor and friends turned up with three vehicles the 1963 Land Rover and 1964 EH Holden listed above and a partially restored MG TD which was given a sort out run in the hill climb procession. Looking forward to seeing the completed car at a future event.

With Covid restrictions still applicable it has been decided to hold our Annual Concourse and Vehicle Appreciation Day at our Ringwood Motor Sport Complex on 15th November. This is a great opportunity to bring out your vehicle to display for the enjoyment of all and, for those who wish to, enter your car in to our concourse competition. There are classes for all types of vehicles MG and other Marques and classic/interesting vehicles of any era. There is no obligation to enter the concourse competition, we would just like to have a great display of a variety of vehicles. No excuses, blow off the Covid dust and bring your pride and joy along (see details in events listing).

The car club has received from RMS NSW a comprehensive list of what is and is not, allowed by way of modifications, options and accessories for Historic Vehicles registered within the Historic Vehicle Scheme. As the list is quite extensive a copy has been put up on the Car Club web site for members to refer to (Downloads/Historic Vehicles). If you have a vehicle currently on historic registration or are considering one for registration, you are advised to consult the list to establish what modifications, period options or accessories are acceptable. If you have any suggestions of items that you consider should be allowed that are not listed, the RMS will consider applications submitted through the car clubs, so let me know.
