PRESIDENTS REPORT

A new year has brought a lot of new beginnings for the club. A new President, a new driveway and a new normal thanks to Covid.

After a lengthy tenure as President, Dave Atkins has stepped down for a well earned break. This has meant that I've had to step up to the top job and Dave has left some rather large shoes to fill. This hasn't been the only change to the committee, with plenty of new faces to be seen and others changing roles.

There has been a number of changes at Ringwood as well, which many of you will probably see for the first time at the Round 1 Hillclimb on the 7th February. The first will be the driveway which has now been re-profiled and sealed. You can now drive straight off Italia Road all the way into the Paddock without needing to drive on the dirt. A welcome improvement that I'm sure many of you have been looking forward too. Dad's Army has also been busy on other projects including a rebuild of the old tractor and upgrading the toilet block to solar power.

Another change that has occurred at both Ringwood and Cobby Street has been the introduction of QR codes to allow digital Covid sign ins. This has already been in use at both venues and is proving to be a much more efficient way of signing in.

We have seen our first club night held at back at Cobby St since they were brought to a halt early last year due to Covid. Although only a small gathering, it was a good test run for the QR code, and myself having to get up in front of everyone and speaking publicly. After the formalities were done with most of us sat down and watched some Top Gear whilst others chatted amongst themselves. I'm sure Rose will make the March club night and I know she has been busy trying to organise some guest speakers for this years events.

John Collins organised our first Register run of 2021 with an Australia Day breakfast held at Mount Sugarloaf. An excellent turnout saw many of our members make the drive to the top for breakfast. After the heatwave conditions of the previous few days it turned out to be a pleasant morning in the shade of the trees where everyone could enjoy bacon and eggs, croissants or whatever else they had brought along for the picnic breakfast. Many stories were told and it was great to see so many being able to enjoy the outdoors before the heat started to arrive and all headed off.

Our next event will be the Hillclimb on the 7th February. Unfortunately this is the day prior to the magazine being assembled so any reports on this event will be in the March magazine.

PRESIDENTS REPORT

The following weekend sees our first round of the motorkhana series which will be run at Awaba as part of WAC's "Be My Valentine" State Motorkhana. These events are always a lot of fun, and don't let the State level scare you off. Beginners are more than welcome and its a great opportunity to see some of the specials and faster drivers in action as well as perhaps learning a thing or two. To make things even easier WAC have now brought in online entry for their events this year.

Also of great interest to our members should be our next register run on Sunday the 28th February. A little out of the ordinary, it will entail a drive out to Beresfield for a guided tour around the NAPA warehouse. This is sure to be an eye opener and for many it will be like a kid being let loose in a candy store.

For those of us feeling the Need for Speed, the 6th and 7th of March could see you competing at Mount Panorama in the State Hillclimb series. Saturday will have drivers pushing their vehicles and themselves to the limit up the Esses, whilst Sunday will see them trying their luck up Mountain Straight.

Finally, a reminder that membership renewals are now due. Without being a financial member of a recognised club, your ability to compete in Motorsport Australia events may be at risk, along with maintaining the rego on any historically registered vehicles. Membership fees have remained unchanged from 2020, continuing to be great value.

I look forward to seeing you all out and about at our various events, and hope that 2021 ends up being a much less topsy-turvy 12 months compared to last year.

Chris Fernance

Some of the trophy winners at the 2020 Presentation Night

Simon Nicholson receiving the Chris Dodds Memorial Trophy for becoming the 2020 Club Champion from Dave Atkins

Chris Fernance receiving the Mick Neilson Memorial Trophy for becoming the 2020 Club Member of the Year from David Walker

Rose Collins receiving the Judith Rae Memorial Trophy for becoming the 2020 Club Ladies Champion from Doug Rae

Christian Thompson receiving the Paul Daley Memorial Trophy for becoming the 2020 Junior Club Champion from Sue Daley

MEMBERSHIP RENEWALS ARE DUE NOW!

If you are intending to compete at an event after the 28th February 2019 or you have a car registered under the RMS Historic Plate system through MG Car Club (Newcastle) you must hold current membership for that to be valid.

You should have received your renewal notice by email, if you supplied your details last year. If not, you should have received a letter in the post.

(Please check you "Junk Mail" folder in case it has inadvertently been directed there.)

If you have already renewed, thanks for acting so promptly.

If you have not received your notice.

Please Contact Dave Atkins on 4956 6200 or (m) 0415 963 515

Email: - membership@mgcarclub.com.au

If you have not renewed by the end of March, that is the last magazine that you will receive until you renew your membership.

**The 2021 MEMBERSHIP CARD.**

For the first time since we started using printed plastic cards, we are not featuring an MG, even though we still have many who do use their MG in competition.

This year we are featuring the 5 times Junior Champion, Christian Thompson photographed in the Jay Bee Clubman at Ringwood. No member of the Club has done more motorsport events over the past few years, than Christian. He has probably set a difficult record for upcoming Juniors, by winning the Paul Daley Memorial Trophy for 5 years in a row. Christian has proved that he can mix it with the best at our events and when he runs the Clubman at Ringwood Hillclimbs, he usually ends up at the very top end of the field. His motorsport has also been across, Motorkhana, & Khanacross events with equally impressive results.

Sadly, the photo will also remind us of the passing during the year of his "Pa" and mentor, Howard MacLean. Howard was awarded Life membership in 1983. He was a founding member of the Club having joined with the first group in January 1955.

REGISTER CAPTAINS REPORT

G'day everyone,

**as well as those who don't have a vehicle on
Club Historic Registration.**

Well it's something I am not used to doing, i.e. organise a Register Run for our Club. I tried and managed to pull it off, I dare say.

It was our Australia Day Breakfast Event. We decided to meet at the top of Mount Sugarloaf Road from 8.00 am.

This time of the year it can be quite hot. We had decided to go back to the BBQ area at Mount Sugarloaf, on, how about, the predicted hottest day of the year thus far. As it turned out, 30 members turned up and there was a pleasant cool breeze blowing in the area which is shaded by the leafy 20 meter tall native trees, all in all a perfect setting.

Preparation for breakfast started and at one time we had 4 BBQs alight and cooking. Whilst eating and sharing breakie, many tales of Christmas and New Year were exchanged. I was surprised to find out there were a few members who had not been there before, they thought it was a remarkable spot. We managed to finish up and be out of there before it started to get unpleasantly hot.

The next outing, on the 28th February 2021, is a **MUST NOT MISS** visit to NAPA - AUTO PARTS. This establishment is one of the largest parts dispatch warehouse in Australia. For those meeting at the Club Rooms, be there from 9.00 am for a 9.30 departure for 10.00 am start. Those going straight to NAPA, the address is:
79 Enterprise Drive, Beresfield, NSW. 2322.

Once there, most of the ladies will commandeer some of the vehicles and will travel to the Heritage Gardens for coffee and treats and a meander through the nursery. If you have someone keen to go to the nursery, depending on the numbers we need to let them know.

Men, it has been suggested to bring along your credit card, as what you might see may be too good not to be tempted.

Club member Kenneth Atkins, Branch Manager will be conducting the tour. He may also be able to tell us something of the future of parts distribution using robots – the **BIONICHIVE**

John Collins, Register Captain.

0412 26 03 43.

MG Pre-War and TYme Event 2021

Event Information and Registration is now available for the MG Pre-War and TYme Event to be held in Canberra from 1 to 4 October 2021. The information and registration form can be found at: <https://mgcccanberra.org.au/>

Inquiries concerning the event may be sent by email to mg-pre-war-tyme@mgcccanberra.org.au, or by phone to:

- Pre-War Registrants: Malcolm Robertson ph. 0408 627 685
- T Type and Y Type Registrants: Kent Brown ph. 0412 558 029

SOCIAL SECRETARY

2020 was a different year for many people but hopefully 2021 will be much more favourable.

There were 3 working bees at the Club Rooms and I thank all who attended for their hard work and effort in completing many tasks including:

- Renewing boards on the outside of the club rooms, cleaning and preparing for painting.
- Fixing the cement walkway outside
- Fixing the security back door so that it can be opened from the inside
- Repairing the southern broken window area
- Major cleaning of kitchen and club rooms
- Wire installed underneath the club rooms
- Seal the inside floor
- Dispose of unwanted materials

There will still need to be working bees at the club rooms to repair and maintain the building and I suggest we have 3 per year.

We held a January Club night with an interesting CD presentation. COVID19 restrictions were still in place but it worked well.

Presentation Night

A very happy and enjoyable evening and I have had positive feedback on the venue, meal and large screen for viewing. We were very lucky to be able to hold it with the Covid 19 restrictions for functions.

Thank you to Greg Noonan and Dave Atkins for making it run smoothly with Trophy presentations.

NEXT CLUB NIGHT FRIDAY 12TH FEBRUARY 2021

Make sure you attend this one....The Guest Speaker is Graham Burgess, former owner of the Wangi Queen, who has travelled the world from north to south east to west installing the Lake Macquarie Flag where ever he went. Graham has also travelled across the Nullabor Plain in a racecar and has done many other amazing things.

Rose Collins
M0413222828

SPEED REPORT

Hi All.

Firstly, congratulations to all of the championship winners for 2020.

After a very busy sequence of motorsport events in the back half of 2020, our calendar is now fully prepared for 2021. Let's hope we can all keep the Covid at bay so we can run without any disruptions this year.

Way back on 6th December our **Teams Regularity Hillclimb** was run. Catherine and I were away in the caravan at the time, so I missed this event. Thanks to Rick Vincent for doing the organising. I've heard so much about the fun people have at this event - I must really try to be there this year.

In 2020 the event was opened to all cars (previously it was for sports cars only). Competitors form into teams and the objective is to maintain CONSISTENT times across the team over a series of runs. Fastest is not necessarily best! For 2021 we will be changing some timing calculations so that a mechanical failure, or a driving mistake (such as going the wrong way) does not obliterate a team's chance of winning - call that learning from experience! Anyhow, congrats to the winners Team Everest consisting of Rose Collins, Raewyn Perkins, Terry Perkins, Paul Whitwirth and Matthew Whitworth. Their average team time varied by only 0.4 seconds across the competitive runs.

I also want to thank Dave Atkins and the team of officials for stepping up to run a second round of the **State Hillclimb Championships** at Ringwood on 1st November. Well done, Dave to grab this opportunity after some other rounds of the championship were cancelled due to Covid. With 42 competitors and 10 new track records set on the day, this was another successful event squeezed into our calendar. There is a great set of photos on our website - thanks to photographer Jill Graham.

<http://www.mgcarclub.com.au/event/nsw-state-hillclimb-round-ringwood/>

At time of writing, preparations are in place for **Tar Series Hillclimb Round 1 (TS1)** on Sunday 7 February 2021 at Ringwood Park Motorsport Complex. We have a strong list of entries, so here's hoping for good weather. This will be our first hillclimb using the club's **QR code** for Covid Check-in. It uses the same Service NSW system as most pubs, clubs, restaurants and shops, so should not be a surprise to anyone. It will make the event admin a little simpler and will enable fast contact tracing in case by government officials in case it is needed.

SPEED REPORT

Looking ahead in the calendar, there are speed events coming up in March - State Hillclimb Championship rounds at Mt Panorama, Tri-Series Hillclimb at Kempsey and CSCA super sprint at Wakefield Park. Feel free to contact me if you are interested in any of these events.

Last year we opened one of our regular hillclimbs for Come and Try participants who have not competed before (or for a few years), and it was quite well received. We will be doing this in 2 or 3 events this year - dates yet to be decided, and will be noted in the calendar in due course.

Go Hard!

REGISTER SECRETARY REPORT

There have been 8 vehicles added to our Historic Register since those recorded in the December Magazine. The list featuring a number of Holdens indicates current interest in preserving the heritage of this icon Australian Brand since manufacturing has ceased in this country. Vehicle details are follows: -

1986 Holden Commodore VL Sedan

1960 MGA Roadster

1988 Toyota Dyna

1991 Nissan Figaro

1953 Holden FJ Utility

1984 Holden Commodore VK Sedan

1988 Holden Commodore VL Sedan

1979 Holden Gemini TE

It is also interesting to note that a number of the early Japanese Brand vehicles have now come of age with the two very different Toyota and Nissan models joining our ranks.

At the end of the year, we had 188 historic vehicles registered with the NSW RMS through our Club.

The recent Breakfast run to Mount Sugarloaf saw a number of historic vehicles brought out including a handful of MGs, an Austin Healy Sprite and two Mini's. Some of us did pike out and take our modern cars due to the hot weather forecast and a lack of air conditioning.
