PRESIDENTS REPORT

June has been another busy month for the club. So busy in fact we had to shuffle some events around and change dates just to fit everything in.

The June long weekend saw a number of our State Hillclimb competitors heading to Grafton to compete at Mountain View. The footage I've seen of the event showed there were a few thrills and spills, but fortunately all our members came away unscathed.

The following weekend saw our Khanacross pushed to Saturday. This wasn't an ideal situation, and it unfortunately resulted in lower than usual entrant numbers. For those that did attend were rewarded with plenty of track time in what can only be described as some of the best bang-for-buck racing available. Some slippery corners also made for some interesting moments, and the variety of vehicles competing, from a VW Beetle to daily drivers, to off road vehicles, is second to none.

Sunday saw the MX5 club holding their own Hillclimb at Ringwood. Unfortunately, I was unable to attend, but from all reports they had a great day, with plenty of runs and track time. Only one minor off track excursion, with the dreaded mud after the finish line doing it's best to trap another victim.

Our round of the CSCA Supersprint Series at Pheasant Wood was an enjoyable and fun day of racing. While in no way was I the fastest out there, I still had heaps of fun and managed to set myself a new PB. A big thank you goes to Wayne Movigliatti for organising the event and all the officials that assisted in running it.

Although things are a little slower in the colder winter months, we still have several events coming up over the next month. Hillclimbers have the opportunity to travel to Tamworth for the next State Round or wait for the following State Round on the first weekend in August. The August round at Ringwood is one of our biggest events of the year, and MGCCN plan on hosting a BMT event as a fundraising opportunity for the Cancer Council. We also have our Xmas in July get together to look forward too, and a Khanacross at the end of the month.

Also coming up this month will be our next Motorsport Panel meeting to be held on the 13th July at Cobby St. There are several items of discussion already, particularly concerning classes and point scores moving into the future. If you'd like to have a say on things and provide some input before the rules are set in stone for next year, this will be your chance.

In some non-motorsport news this month, I'm sure you've all heard about the recent biosecurity threat to Australia with the discovery of the Varroa Mite in Newcastle. Those of us that attended the May 2021 Club Night would have heard firsthand from Neil Livingstone of the threat that the mite poses to Australia, and the importance of the sentinel hives around Newcastle to monitor the threat. It was clear from his presentation how much his bees mean to him, and our thoughts are with him and his fellow beekeepers as they fight to eradicate this parasite.

Speaking of our Club Nights, we have another interesting one planned for this month. For those of us familiar with the Newcastle Motordrome and other speedway venues around the area, we have invited a few drivers of yesteryear to come along to Cobby St and entertain us with some tales of their exploits behind the wheel.

I'd also like to say a big Thank You to John Finch who has been our Club Treasurer for the last seven years. With the coming of the new financial year, he will be stepping down from the committee to enjoy some much-needed relaxation and the chance to visit family & travel. David Atkins will be filling the role for the time being, but we are always on the hunt for members looking to join the board, assist in running the club, and to help shape the Club's future.

As usual I welcome seeing you all at our events, so keep those wheels turning, and I'll hopefully see you all sooner rather than later.

Chris Fernance

NEW MEMBERS

We Welcome the following new members

Mr Geoff Rogers - Full member
Miss Jordyn Osland - Junior member
Mr Mathew Moore - Associate member
Mr Andrew Chandler - Associate member
Mr Oliver White - Associate member
Mr Tim Wrightson - Associate member
Miss Rachel Peen - Associate member
Mr Timothy Doyle - Associate member
Ms Ashley Stevens - Associate member
Mr Wayne Chrystal - Associate member
Mr Andrew Griffiths - Associate member
Mr Lionel Stead - Associate member
Mr Chris Wensrich - Associate member
Mr Oliver Wensrich - Associate member

We look forward to having you join us at future events, be it a Club Night, Social- Outing or a Competition event. It is indeed pleasing to see another MG owning member join us as well as those who have expressed an interest in the competition side of the Club's activities.

SOCIAL SECRETARY

The next Club Night will be **Friday 8th July 2022** at the club rooms Cobby Street Birmingham Gardens.

Back to the Future

We will be showing some Videos and have guest speakers talking about the good old nights of the SPEEDWAY in the Newcastle area.

FEATURING

Brian Burrell, Alan Butcher (Qld), Graham Lillford, George Price
Who knew George before he was a Tow Truck Driver?

WORKING BEE

There will be a **WORKING BEE** at the Club Rooms commencing at 8.30am until 12 noon on **Saturday 30th July 2022**. This will involve repairs, cleaning and the sorting of unused materials. Your club rooms need regular maintenance so it would be good to get all hands on deck for this.

PRESENTATION NIGHT & CHRISTMAS PARTY

The Presentation Night & Christmas Party will be held on **Friday 9th December 2022** at **Club Macquarie**. The cost is \$29 per person for dinner and you will need to let me know by 30th November if you will be attending.

Rose Collins M 0413222828

“COFFEE AT THE CLUB ROOMS”

We have now had two “Coffee at the Club Rooms” gatherings. The first one attracted just 10 members however we did get to meet some who have not been to many events in recent times. The notable cars that were there were a couple of early Mini’s and a TR7.

The second held on 22nd June was much more successful with 21 people attending, with 2 immaculate Austin Healeys, an MGTC, MGB, MGF, and MGTF (modern), a Nissan Z Car, a Triumph TR7 and a much-loved Volvo. Again it was a chance to catch up with some members for a low-key chat and a cuppa.

We also got to see and hear about some very impressive engineering done by one of our members to improve the cylinder head off an MG Midget.

Given the response to this last effort, we will now endeavour to hold more such days, probably every second month so that there can still be room to fit in the mid-week Club Runs. The next is likely to be **Wednesday 24th August**, so keep an eye on the magazine to check that it is confirmed in as an outing.

INVITATION TO MEMBERS

“COFFEE AT THE CLUB ROOMS”

(Tea & Soft Drink also available)

Wednesday 24th of August 2022

From 9.45 am until mid-afternoon.

Just call in for 'as short or as long' a break as you please.

Meet like-minded members and share your passion.

This is an opportunity to get involved in a low-key social outing during the day.

- Check out what the Club Rooms have to offer.
- Play some of our extensive collection of motor sport and motoring DVD's.
- Visit the Library, look through archived Magazines, minutes etc.
- Use the morning to go for a run in your favourite car and share the story with others with a similar interest.
- Swap stories from the past, present. (Or future!!)

MG National Meeting 7-11 April 2023 June Update

www.natmeet2023mgcc.com.au/

Hello again, more details on some of the events being organised for next Easter's National Meet in Adelaide.

As always, there's more info on the website shown at the top of this bulletin, and a reminder that expressions of interest are open. Please send names, e-mail contact and phone contact to our Registrar, Chris Bray, at Registrar2023natmeet@adam.com.au

If you have already done this, encourage your friends to make an expression of interest.

So here are just some of the events you can look forward to:

Noggin'n'Natter—

Festival Function Centre, Findon. This event, together with registration and scrutineering, gets the National Meet underway on Friday April 7th. Noggin'n'Natter is an MG tradition – a casual event to meet up with other registrants from around Australia, while enjoying some refreshments and entertainment.

Rocker Cover Racing at the Noggin'n'Natter—

For those of you new to this, it involves racers made from MG rocker or cam covers. They must be self-propelled, relying on gravity for their pace. The maximum weight is 3kg and the competition is held over a launch incline 1.5m long and a level run of 6m. The competition is conducted in best of three heats of two racers at a time. Winning racers advance to the next round until all are eliminated except one racer, which will be the outright winner.

The National Meeting Kimber run—

On Sunday April 9th will wind through the Southern Adelaide Hills Wine Region with the cars entering the Hahndorf oval from Echunga for lunch to avoid the town's busy main street. The run is about 76km long and is planned to give you time for a wander through picturesque and historic Hahndorf before lunch.

Motorkhana – The Bend Motorsport Park, Tailem Bend—

Sunday April 9th. This will test the acceleration, braking and general manoeuvrability of your MG as well as the skill and judgment of its driver. A series of flags are placed on a sealed surface. The object of the competition is for each driver to complete the tests in the shortest time without incurring penalties. Although there are many ways to incur penalties, some of the most common ways are displacing a marker, traveling in the wrong direction or failing to stop within the "finish garage" boundaries.

The competition consists of 3 patterns with 2 attempts at each pattern. The worst time on each course is discarded. Class winners are determined on total elapsed time including penalties. No special equipment is needed.

Theme party –

Stamford Grand, Glenelg. The theme party is always a major social highlight of National Meets and next year will be no exception. We're working on a theme and details will be released in plenty of time for you to figure out how you'll dress. This is a really fun night, not to be missed.

And a reminder that Easter accommodation is always in high demand so please book early to avoid disappointment. MGCC SA cannot make bookings on your behalf.

Please send your expressions of interest and enquiries to:

Tim Edmonds, President, Chairman2023natmeet@adam.com.au
Chris Bray, Registration, Registrar2023natmeet@adam.com.au
Sandra Cardnell, Secretary2023natmeet@adam.com.au

See you in Adelaide next Easter!!

Regards,
Tim Edmonds
President, MG Car Club of SA.

PHEASANT WOOD CIRCUIT MARULAN

CSCA Supersprint Round 3 Saturday 25th August

A birds eye view of the event.

57 Entrants registered for the event but unfortunately only 52 competitors started the on the day, which was very disappointing for the organizing team, who organized a good event at a great venue with 26 competitors from MGCC Newcastle. We arrived on Friday afternoon & settled into a carport along with several of our club members. This is a great venue even though a little cold (freezing) when the cold westerly blows.

Our team spread out at the accommodation venues in Marulan & Goulburn but most made their way to the Terminus Hotel for a good meal, a roaring fire & a great country atmosphere. Rose managed to get a free bottle of wine from the licensee for being nice!

Would you believe Rose Cogger & myself were allotted the flag marshals job by Clerk of Course John Collins. We were given a big bundle of flags, a radio & told GO FOR IT GIRLS, which we did with gusto. Most drivers acknowledge our direction to slow down, cool down & return to the pits, others just ignored our directions & snuck in another circuit of the track. They know who they are... We had a few novice Supersprinters who drove very well and followed our directions. Good lads.

Two other girls made the trip down to Marulan, Libby Fernance (Magazine Editor) & Karen Bower (Trainee Photographer) with son Lincoln supporting MGCC Newcastle.

Saturday 'race day' went very smoothly with cars in 5 groups of 10 or 12 marshalled by another lady, Marion Baxter, who managed to get the field in order all day, good work & thanks Marion. This would be considered a very busy event with competitors not having much rest between runs. This was due to reduced competitor numbers & also helped by no accidents or major incidents, well that is except for a few drivers who decided to do pirouettes on turn 1 & 2, we actually had to use the yellow flag a couple of times (very exciting).

As per usual our club/team performed well, placing well up in most classes with times very close to one another, less than a second apart. The results will be posted at the end of this article. To anyone who has the opportunity to go to Pheasants Wood to have a run - do so. I think you would enjoy the track as it is safe with banked corners & plenty of run off areas. Rose & I had a good day doing our official duty. Oh & I forgot to mention it was very, very cold.

Congratulations to all place getter - cheques & deeds to the sheep station are in the mail.

Joy Bower

IROAD & INNOVA N.S.W. HILLCLIMB CHAMPIONSHIP

The N.S.W State Hillclimb Championship for 2022 is being run with new naming Rights sponsorship IROAD and INNOVA. Suppliers of specialised dash and sports cameras.

To date, the Championship has three rounds been completed at Huntley, Mt Cooperbung and Mountainview with the next round scheduled for Tamworth's Oakburn Park on the 10th of July followed by our round at Ringwood on the 7th of August, with two further event to follow to complete the series.

Unfortunately, the first two scheduled rounds at Mt Panorama were removed from the series at a late point due to extreme weather conditions forecast for the State during the period.

To compete in the State Hillclimb and be considered in the result, the entrant must register for the series and then enter the events they wish to compete in. The clubs generally include a Multiclub component to each event which non state registered competitors may enter. This component is generally scored separate to the State results, which has caused some consternation with some entrants. The Supplementary regulations for each event needs to be understood by the entrant upon entry into the event.

There are 14 registered competitors from our club to date. Results are good in the Road Registered Class with Peter Akers and Andrew Fraser leading their class, Michael Fraser is pushing Andrew to greater effort co-driving the Corvette, to the point that at Grafton prior to the last run they were on equal times below the class winning time set by Andrew last year. Andrew went on to record an even faster time on his last run to win.

Dean Tighe and Dean Amos in open wheelers lead the times. Dean Tighe's Empire Wraith is something view with the graphics on the car.

Outright after three completed rounds, we have Peter Akers in 8th, Andrew 15th & Michael Fraser 19th outright. These positions are based on points from scoring a Top 10 position outright at the round.

For the Fastest TinTop, Peter Akers is 3rd, Andrew Fraser in 4th place, behind Wayne Penrose in his blue VW and Warren Bell in his LS3 powered Datsun Stanza Time attack machine. Rick Yates, Nathan Apps, Dennis Russell, Russell West and James Graham continue to perform in their respective classes with improving results.

A lot of the event is being filmed and presented by Blendline TV. Viewing of this footage can be seen on Facebook under the respective car clubs Facebook page.

YOUNG DRIVER DEVELOPMENT COURSE

FINAL TWO EVENTS FOR 2022

Finishing time is approx. 3.00pm, for all events

EVENT SATURDAY 13TH OF AUGUST

EVENT SATURDAY 5TH OF NOVEMBER

Training and instruction on Motorkhana and Khanacross surfaces with both earth and sealed road surfaces. Both days will also offer Training for those more experienced drivers including the Hillclimb roads.

Late entries will NOT be accepted

All documents will be forward by email for you to complete.

REGISTER SECRETARY

Three new vehicles have been added to our Historic Vehicle Register since the last magazine report: -

1939 MG TB
1971 Chrysler Valiant
1977 Toyota FJ Utility

14 Historic Registration renewals have been processed throughout June up to 27th. We now have approximately 218 Historic Vehicles listed on our Club Register.

The “Euro Motorfest” originally scheduled for 19th June at Newcastle Foreshore was put back a week due to the wet weather. Thankfully the following Sunday was a lovely sunny, somewhat crisp day and the grass parkland area had dried out well. Hosted by MGCC Hunter Region the event, raising money for Variety and John Hunter Children’s Hospital Charities, was well supported. Eight club members entered cars into the display: -

Allan Evans Triumph TR7
Brian Redford Bond Bug
Ken Mcloud Mercedes Benz Coupe
Lyll Clark MGF
Jeff Newey MG TC
Tom Heard Fiat 2300S
Col Stuart Ferrari 318
Geoff Thomas Ferrari 318

Brian Redford’s Bond Bug always attracts an audience and Brian was kept busy all morning answering queries from numerous interested persons.

As often happens at these shows there are some nice vehicles that are not seen often these days.

Allan Evans – Register Secretary

REGISTER CAPTAIN

On **Saturday 23rd July 2022**, Register Run is off to Quirindi for **Christmas in July**. We will be staying at the Sunflower Motel at a cost of \$130 per night. You can use your \$50 voucher provided by Service NSW at this motel.

We will lunch on the way and arrive in the afternoon at the Motel where we will be able to enjoy a fire pit and a gazebo to have cheese, biscuits etc.

Saturday night we will be having the main event – Christmas in July Dinner.

On Sunday we will visit Bob's Shed for a stroll down memory lane with older vehicles and other memorabilia on display.

If you think you would like to come along and feel a little lucky, give me a call to see if there is any rooms left or if there has been a cancellation.

FOR SALE

1957 MGA 1600 Roadster

A truly stunning example of this classic English MGA Roadster. Finished in HSV Fire Red with cream leather/vinyl to the original combination.

I conducted a whole car ground-up bear metal restoration painstakingly close to the original factory specification.

The car has matching numbers for the chassis and engine.

The engine rebuild, to the 1600 specification, was blue printed.

Hard tops (2) are available for restoration.

Original milage 81,269 miles – since restoration (2002) 2,721 miles

Available in Newcastle
