

# 2022 MG National Meeting

## “MGs by the Lake”

## Final Results

This notice is sent to Delegates and Co-ordinators from the invited MG Car Clubs to confirm that the Final Results for the meeting have been issued, including a change to the placings for the Nuffield Oceania Trophy.

### Explanation regarding change to Nuffield Oceania Trophy:

MG National Meetings are run according to the document “Rules On Running The MG National Meeting”, which was last updated following the 2019 Delegates’ Meeting. The section on Perpetual Trophies includes a clause that says “points only count when there is a minimum of two competing in the event and the competitor must have competed in three different events to be eligible for the award”. The Organising Committee interpreted this clause as applying to all perpetual trophies, as it appears at the beginning of the section before the clauses for each of the perpetual trophies.

However, following the National Meeting we became aware that this clause has generally been applied only to individual perpetual trophies, not to the club trophies (Nuffield Oceania and John Wratten Memorial). Discussion with a range of long-serving delegates has led us to conclude that this clause is intended to only apply to the individual trophies.

Consequently, the Organising Committee voted to amend the calculation methodology to reflect the intention of the wording, rather than the literal wording.

This change to the calculations did not affect the first 3 places for the Wratten Trophy, but did result in a change to the placings for the Nuffield Oceania Trophy. This Trophy has now been awarded to the Queensland Club, with the Newcastle and Hunter Region Club tied for 2<sup>nd</sup> place. The Organising Committee apologise to the affected clubs, including members of our own club, for any upset that this change may have caused.

We are currently working towards having the wording of the Rules clarified to avoid similar issues in coming years.

Thanks to all who attended “MGs by the Lake” and we hope to see you in Adelaide in 2023.
