PRESIDENTS REPORT

G'day all,

I tried out the idea of having an email sent to ALL club members to try and make information available to everyone and so far, very pleased with the result of the first one! This one reminded you of the club night in February and the turnout was better than expected, let's hope it continues for the future. We have also signed up for a webmail system so as we have a proper email address to send out information.

This coming club night March 8th features practice for the up-and-coming MG National meeting rocker cover racing. If you have never witnessed it, it involves MG rocker covers hand built into race cars let go down a runway and timed. At the Nat meet participants get quite excited and competition is fierce among the various clubs!

I would also like to have a discussion on any ideas you may have on club night improvements one in particular is whether we should have a better TV and show more motoring films clips during the night so please come and share your views, it's your club rooms and you get a chance to win \$550 bucks and have a great supper as well!

The 25th saw us run the first of the year's Hillclimb's at Ringwood. I couldn't make it on the day, but all went well, full field with Ron Hammond fastest on the day.

Unfortunately, the Khanacross had to be postponed due to the forecasted heat wave. I don't think anyone likes the idea of running or officiating in that sort of heat.

Thank goodness the seatbelt rules have gone back to the pre-existing rule and although it might not have affected a huge amount of drivers it certainly allows some of us to continue having a run! I know Lyall Clarke and Colin Bray put in their time and effort to get this changed so many thanks.

The board position of Land Panel that was vacant has now been filled with Brian Sutton taking on this important role.
Thank you Brian.

As I mentioned earlier the MG National Meeting is on again as usual over the Easter holiday with quite a few of our members participating, so here's hoping the weather is good and the competition fun and we come home with a few trophies!

In case you had not noticed it is also time to renew your membership!

Look forward to seeing you at a club event soon.

Cheers Bryn

PRIVATE PRACTICE & TESTING AT RINGWOOD

Available most Thursdays, check in advance to ensure track works are not planned by the Land Panel on that day. Other days can be arranged, provided a suitably qualified "Supervisor" is available.

CAMS have now implemented the MIDCAR protocols under which we must operate to be covered by their insurance policy.

2024 Membership Renewals

Members are reminded that renewals should of been completed before 1 March 2024. So far 260 members have renewed, which is just under half of the club membership. So, if you have not yet renewed, consider yourself chastised! (Oops - I've still got to do my own renewal....)

This year, we have changed the renewal form to gather information about the club activities that interest you, and we intend to use that information to send you relevant details of particular events so you have time to prepare and participate.

Please complete a renewal form (which you can find on the club website) and pay the applicable fee by direct deposit or credit card. Annual membership fees remain the same as last year. The completed form should be emailed or posted to me - details are on the form.

2024 Membership Card

This year's card features our club member Bruce Condron, competing in the Australian Hillclimb Championship at Ringwood Park Motorsport Complex October last year. Bruce was our only member competitor in an MG, and enthusiastically drove his MG into 3rd place in his class. Looking good and going well, Bruce!

THANK YOU TO ALL THE PHOTOGRAPHERS
WHO HAVE PROVIDED PHOTOS FOR THIS
MAGAZINE

REGISTER SECRETARY

We have had 3 new historic vehicles added to our register since the last magazine article: -

1961 MGA Roadster

1980 Land Rover Series III LWB

1945 Willys Jeep

There were 14 registration renewals processed in January.

A further 12 registration renewals have been processed to date February 26th.

There are currently 214 vehicles listed on our Historic Register.

The 2023/4 period of your MG Car Club Newcastle membership terminated on the 29th February 2024.

It is a condition of the Historic Registration Scheme that you maintain financial membership of your sponsoring club. If you have not renewed your membership, do not drive your Historic Vehicle on the road as technically your registration has lapsed.

John Garroway is our membership secretary his contact details are in the magazine and on the car club website. Renewal forms can be downloaded off the website.

As advised in the last magazine I will not be available to carry out Historic Registration duties from mid-March until the end of May. Dave Durie has kindly agreed to take over the Register Secretary duties in my absence. Members with existing vehicles due for registration renewal during the period of my absence will be notified individually. Registration renewals left in my letterbox will not be attended to until I return.

Dave will receive documents for registration processing by mail only. Please ensure that you include a stamped self-addressed envelope for their return. Documents may be sent in to the Car Club mail box PO Box 632, Hamilton NSW 2303, or alternatively directly to Dave. If you have any queries, or to obtain Dave's address for direct mailing, he can be contacted on 0418 682 494.

The Car Club is starting to receive invitations to car shows where you may display your vehicle of interest and join in the social activities with fellow members and enthusiasts. Keep an eye on our Facebook page, the website and in our Club Torque Magazine for details.

Have fun and see you later,

Allan Evans

REGISTER CAPTAIN'S

The Register Run to Mount Sugarloaf was very enjoyable with a good number of participants attending.

It turned out to be a morning with few mosquitoes and no rain. A breeze blew up soon after arriving and most of the mosquitoes were gone. It was good for members to talk about their activities over the Christmas and New Year break also discussing changes to cars ready for 2024.

There will be a **COFFEE MORNING RUN** on Wednesday 13th March 2024 meeting at the Club rooms at 9.30am and taking an interesting drive to the Greenhouse at the Pacific Dunes Golf Club, Medowie.. This, then could be Breakfast, Brunch or Lunch.

This would be a good drive to go on for some of the 212 Historic Cars registered through our club.

April 28th is the next Register Run with details being available in the April Magazine.

John Collins

2024 FLUFFY DUCK TOUR

This event is to be conducted by the Australian Historic Rally Group in our area on Sunday the 14th of April. Little info is available on details except that I have been advised the roads are approx 50% gravel. Further info should be available within the next few weeks. Details will be placed on the AHRG (Australian Historic Rally Group) website and on our website and Facebook page.

This event is one of four to be conducted this year by this club and is part of our club championship pointscores.

These events are a fun day out on public roads. All road rules should be followed in participating in these types of events.

Kevin Akers
Rally Co-ordinator

SOCIAL SECRETARY

The January Board Meeting made me appreciate the amount of volunteer work, knowledge and expertise needed to run our club.

On that note I thank all who made our February Club Night such an enjoyable occasion with 46 members present. Joy Bower and Jan Clarke kept me in line in the kitchen and Wayne Movigliatti provided a stimulating focal point. Members appeared loathe to leave despite Dave Durie and I chasing around with the broom and dustpan!

Our next Club Night is 8th March with rocker cover racing practice as the main event. I am not familiar with this activity however I am told that as a timing elimination round-robin it is more exciting than both cricket and fishing! **The Jackpot stands at \$550.00.** Could you be the winner?

Save 12th April's Club Night date for the opportunity to learn both basic hands only CPR and also how to use an Automated External Defibrillator. This training is **free** and provided by experienced health professionals who volunteer with Hunter Heart Safe.

Before the restrictions of Covid, **Natter Nights** were a great social opportunity. When Ken and I were new members we attended many of these and made longstanding friendships. They usually start at 5pm on a Saturday night, are hosted in club members' homes and everyone just brings their own food & drink – very casual. Ken and I will host the first one for 2024 in May. More about this later.

Meantime, here is some food for thought: *Just once, I want the prompt for username & password to say, "Close enough".*

So, come along and bring your other half (the one who tells cars by colours) for a relaxed evening among your fellow Club Members.
