

It's not Easter!

The MG Car Club of SA looks forward to welcoming you at the 2026 MG National Meeting. And next year's event will NOT be held over Easter – it will be from Monday 27th April to Friday 1st May, inclusive.

There are many reasons for this – one of them being that accommodation is easier to find and should cost a little less. So, no excuses – come along and have a great time.

Another change is that we're not centring the event around Glenelg in 2026. Instead, we're moving to the beautiful Adelaide Hills and specifically Hahndorf, one of SA's premier tourist attractions. Our base will be the Adelaide Hills Convention Centre (AHCC) run by Discovery Events. This will be the epicentre for many National Meeting social events, and this is how the program is shaping up:

- Monday 27th April – Registration; Noggin'n'Natter/Rocker Cover Race all at AHCC
- Tuesday 28th April – Concours at Mount Barker; Theme Party at AHCC
- Wednesday 29th April – Motorkhana at The Bend; Kimber Run leaving from AHCC and finishing at The Tavern on Hindmarsh Island
- Thursday 30th April – Super Sprint at The Bend; Discovery Run leaving from nearby Mount Barker and finishing at Murray Bridge; Formal Dinner at AHCC
- Friday 1st May – Farewell Breakfast and Delegate's Meeting at AHCC.

The Bend Motorsport Park at Tailem Bend is less than an hour away on National Highway M1.

Clearly, the Adelaide Hills Convention Centre will be the hub of all activities and it offers a large range of accommodation options including:

- Lakeview units
- Lakeview houses
- Lakeview cabins
- Studio cottages
- Studio cabins
- Powered drive-through sites
- Powered sites
- Summit rooms.

There's also ample car parking. To book accommodation there, simply phone Sarah on (08) 8388 7921 and they will be happy to take your details.

This is the link to their website: <https://discoveryevents.com.au/venues/adelaide-hills-convention-centre> and it includes pictures of the different types of accommodation available.

Hahndorf offers many other accommodation options and attractions and you can find details at the usual places such as Booking.com, Tripadvisor, Wotif etc.

If you're not familiar with Hahndorf and its surrounds, have a look at

<https://southaustralia.com/destinations/adelaide-hills/places/hahndorf>

We will have photos and information available at the Albury/Wodonga registration area this Easter.

As you can see, planning is already well advanced and we'll keep you informed as more details are finalised. Book your accommodation, watch out for registration details on the 2026 MG National Meeting website 2026mgnationalmeeting.com.au and please direct any queries to Tim Edmonds at Chairman2026natmeet@outlook.com

The MG Car Club of SA looks forward to giving you a very warm welcome in 2026.
