PRESIDENT'S REPORT

G'day all,

Well I hope everyone had a good break over the holidays it seemed to fly by and now we are back to another motoring year!

For my part we had five birthdays (three of them big ones) one anniversary and a trip to Brisbane all in the month of January! I'm not game to weigh myself after all that partying.

Another big milestone in my life was the honour of Life Membership bestowed on me at the MG Christmas party. I joined the club when we used to meet in the St. Johns hall at Adamstown. Served on many positions as far back as Amaroo race circuit as speed director to magazine editor, seven years as president and enjoyed every one of them, but by far the most satisfying was being involved with the extensions at Ringwood from the very first of the planning to what we have today. The ultimate kudos was running the Australian Hillclimb Championships where we were awarded the best

event of the year trophy. So a heartfelt thank you for those of you who put me up and voted for this honour.

For those of you who read the MG Facebook Member's Page that Libby Fernance runs, there is a plea and description of the club's magazine advertising needs. Advertising is necessary for us to be able to keep the magazine on a financial footing so that it does not become a burden on the club's finances. So what can you do to help? Finding new advertisers for the mag is the most pressing thing at the moment, if you could have a think about it, is there anyone; any business you visit that you think might be a candidate for an advertising spot for the mag. Chat them up yourself or let me or any one on the board know your ideas and we will definitely follow them up. Articles for the mag are also needed, Libby, our magazine editor can only make the mag enjoyable to read if she has stuff to put in it, help her out, send in something that can make us proud of the magazine.

The MG National meeting which is on in Adelaide this year is now open for entries if you are thinking of going, I suggest you get in sooner than later as entries are limited. If you have not been before it's a great way to enjoy your MG, meet new people and have a holiday as well! Talk to Fran Hodgson for more info if you fancy coming with us to Adelaide, well actually Hahndorf which is even nicer!

The Australia day run to Sugarloaf was a great start to the social season. I am looking forward to lots of social runs and outings this year, it's a great way to meet up with other club members and their cars. The planning and organising is

well under way for our CSCA SuperSprint on March 29th at One Raceway. We had a fantastic roll up for the round last year, so I am expecting it to be just as popular again with the added attraction of the racing to be held in the opposite direction! This should put just about all the entry on the same footing as far as track knowledge goes!

So here's looking for a big year for the club whether its racing, Hillclimbing, dirt events, social or just learning to drive at the clubs driving courses, I hope to see you there.

Cheers, Bryn

NEW MEMBERS

We have a **new Life Member!!** Congratulations to our current president, **Bryn Baverstock** who has been recognised for his long-term commitment to the wellbeing and management of our club.

It's been a popular period for new members, as joining from 1st January gives membership is through to 28th February of the following year.

We welcome the following new members. They bring our club membership up to 642, a healthy growth, indeed!

Membership Secretary

2026 MEMBERSHIP RENEWALS

Members are reminded that renewals should be completed **before 1st March 2026**.

If you have already renewed, thank you for acting so promptly!

Annual membership fees are the same as last year:

Adult membership \$85

Junior membership \$40

Family membership* \$95

If paying by card there is an additional \$3 fee to cover processing costs.

*Family membership is for two people living at the same address

You can complete your renewal **online** using our website membership system. Just sign-in using your email (request a password if you lost it from last time), check and update your membership information, select a payment method and make the payment. Do me a favour, and please don't sign-up as a new member!

You don't have to fill in and scan or post a renewal form anymore, but the old style form is still available on the website and you can use it if you prefer.

If you don't have an email address to sign in to the new system, you can use the manual form, or ring me and we'll get you sorted.

The link to the Manage My Membership page can be found at the very top right corner of the club web page (see screenshot below).

One point to note is that Family Members are treated as completely separate members by the system. The Family Primary Member pays the full fee. The Family Secondary Member is free, but we do want them to update their details in the system which requires them to sign in and complete the online form.

One of the choices you can make is whether to receive a **printed copy of the club magazine** each month. You are entitled to a printed magazine at no extra cost, but if it suits you to access the magazine online, you can choose this instead which will help to keep our costs down. We email a link to the online magazine to all members each month, so you shouldn't miss it.

Here's an important point - once you have entered some data, changed your membership level or selected a payment method, **DEFINITELY PRESS** the **“Save & Continue”** button at the bottom of the form for each tab. Otherwise your selections will be lost.

2026 MEMBERSHIP CARD

The 2026 membership card features Andrew Fraser, a very keen club member and competitor driving his MG Midget in a Motorkhana event last year. Andrew won multiple trophies at the 2025 Presentation Night, so this is a little bonus for him.

GUEST SPEAKERS WANTED

If you know of someone who could do a presentation, 25-30 minutes, please let us know, it can be on any subject such as local history, car restoration, health issues etc, please get back to me so I can follow up.

SOCIAL SECRETARY

Our **Christmas Party and Presentation Night** was enjoyed by 70 members and guests with a few festive innovations. Each table had a small kit for making an attractive centerpiece and club member John Gibson generously provided lively disco music throughout the night. There was some pretty hip dancing on the temporary dance floor, especially from the younger set who showed that not only can they drive, they can also dance! Each person received their own party bag of home-made Christmas fare.

Emcee Dave Atkins assisted by Kenneth Atkins made sure that presentations went smoothly. Dave's photos of trophy winners and their beautiful cars kept everyone's interest. Trophy recipients frequently expressed appreciation for the work of event organizers and track officials. They just want to have fun out on the track!

Fran Hodgson's background to the Nuffield Oceania Trophy, as well as the information given by various presenters of memorial trophies, reinforced that many

people over the years have made the club what it is today. Club member Gillian Humphries lent her professional skills by taking photos for the magazine and website. Club Macquarie was efficient and helpful in organizing our big night and providing the *Feasting Table* and I have sent them a note of thanks.

Looking ahead to 2026 Club Nights, I have some speakers in the pipeline. January's event was low-key but speakers for the next few months are as follows:

13th February Scott Holding

13th March Jim Pope's Yellow Duck Motorsport Quiz (be warned – there will be teams!)

10th April Dawn and Neville Lambert

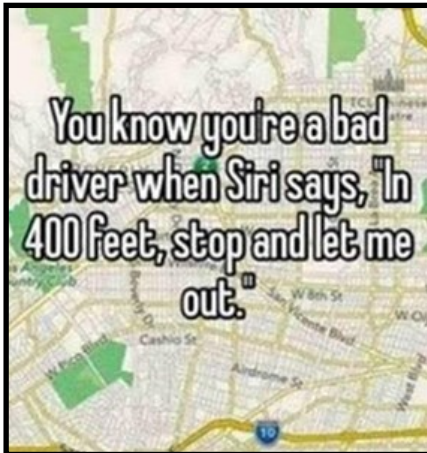

8th May Michael Poole

If you or someone you know has something of interest, please consider being a speaker at a club night (the audience is really well behaved) or, we need articles of interest for our Clubtorque magazine.

Regarding this year's **Ringwood Park Canteen**, the roster for 2026 Hillclimb events is beginning to look hopeful as volunteers answer the call we put out at the end of last year. Any offers of help would be greatly appreciated.

My giggles for this month...

VICE PRESIDENT

I would like to wish all members, their families and friends a very Happy New Year. It's time to check out the 2026 Club Calendar to add to you diary the events you would like to compete in.

Fran and Darren Hodgson are organizing the Register Runs which are being held monthly and a Christmas in July weekend. It's a good chance to meet other members and go for a drive to an interesting venue. Once again add these to your diary.

I would like to thank Brian Sutton, Land Panel Organiser and all those from Dad's Army who were involved in and helped to install a new Children's Playground adjacent to the spectator's area.

The Playground is very busy during events so it is very much needed. I would also like to thank members of the Board for approving the installation of it.

Rose Collins
Vice President

MGCCN would like to THANK *Lake Mac Printing* for the hard work they do to print our Magazine promptly and efficiently.

ISSUES WITH TRANSFERRING PAYMENTS

Last December our banks stopped accepting cheques, this has complicated the ability to transfer funds from the Commonwealth Business Cheque Account to our accounts with the Mutual Bank.

All payments out of our accounts require two signatures, unfortunately the current methodology employed by the CBA makes this difficult as the signatories need to be together at the same device to make the transfer. Obviously somewhat inconvenient for us. It has been decided that we exit the Commonwealth Bank and do all banking with the (Maitland) Mutual Bank.

Unfortunately, there is some sort of a glitch with the links between other banks and the Mutual Bank. Some are saying "Account Not Found" but allowing payments to proceed once the payer had double checked the BSB and Account numbers. In some other cases it is preventing the transaction from proceeding at all.

The issue has been raised with the Mutual Bank at branch level and by phoning their head office. The phone call to the head office will hopefully lead to

a resolution as the person I was speaking to tried to deposit into our account and wasn't able to. He now knows exactly what has been happening to our members and has referred the matter to the Mutual's IT department. He also tried to do a similar thing from an account that he has with another institution, and it again said, "Account Not Found". So, he was able to report that to the IT people also.

I am hopeful that the issue will be resolved over the next few days. (by the end of January).

This has certainly been a frustrating issue for those that are experiencing the issue as it has been for me.

The weird thing is that some payers are getting transactions through without an issue, others with some difficulty and others not able to proceed at all.

Please be patient. The BSB Number and Account Number on the Membership Forms and Supplementary Regulations are correct. The Account Name is as per the details on the Mutual Bank Statement as they say it needs to be, but that appears to be

TO THE MAITLAND MUTUAL BANK ACCOUNT

where the issue is with the technology.

Only the IT people at the Mutual Bank can see what the system believes it needs. Hopefully there will be an easy fix, and we can all get on with business as usual.

The Commonwealth Bank Account we have been using for decades will remain open until the end of February provided we get the issue resolved. That account will be closed as will the

B-Point Credit Card Facility.

IF your only options are CASH or Credit Card payments, we can accommodate that too. If you need to make a payment using your Credit Card, you can do so by calling John Garroway who can process it via the STRIPE facility that is linked with the Membership Works system.

I'm sorry this has been happening.

Dave Atkins – Treasurer 2026

REGISTER SECRETARY

We have had 8 new historic vehicles added to our register since the publication of the December magazine.

1990 Nissan 300ZX
1959 MGA 1500
1980 Porsche 924
1971 MGB GT
1966 Triumph TR4A
1973 Land Rover Ser. III
1991 Toyota Celica
1969 Jaguar E Type Coupe

There were 15 historic registrations processed in November, 32 in December and a further 17 to date 23rd January 2026.

There are approximately 266 vehicles listed currently on our Historic Register.

It is always a busy period leading up to Christmas; however, I did compete in our Regularity Hill Climb event at Ringwood and travelled down to Sydney with a friend to a car show held at the Shannons Insurance premises at Artarmon. As always, I was on the lookout for interesting historic and classic cars that I rarely see out and about.

Cars spotted at Ringwood:

Triumph TR6

Morris Mini Cooper S

Out for a shake out run following a restoration was this very tidy looking Toyota Corolla Twin Cam. Experienced some minor brake issues on the day but set to give my TR7 a good challenge in the Pre 86 Registered Class in 2026.

The car show in Sydney had its fair share of exotic sports and muscle cars exuding mega dollar outlays, as expected, but also included some rarely seen road and competition vehicles:

Volvo P1800 Estate

MG Metro

Leyland P76 Muscle Car interpretation

Mk1 Lotus Cortina

Ford Sierra Cosworth Race Car

Fiat Niki R-1 Yamaha 650 Competition Car

Well worth the trip down to Sydney and even bumped into fellow car club member Jason Moore and his friend, also enjoying the car display.

Allan Evans – Register Secretary

SPEED EVENT CO-ORDINATOR REPORT

There has been an early start this year to speed events!

This will mean some serious planning and saving so as to be able to compete in our *Hillclimb championship series* as well as these two super special events listed below.

Now after the 40th anniversary Hillclimb, which had over 50 competitors, has been done and dusted for another forty years, it's down to fair dinkum business.

22nd February 2026 - Sunday.

MGCCN round 1 of the tar speed series at Ringwood on the A3 track. Entry is now open on Motorsport Australia and documentation is available on the club website home page at the poster display.

28th February 2026 - Saturday/1st March 2026 –Sunday.

First and second round of the State Hillclimb championship at Bathurst.

29th March 2026 - Sunday.

One Raceway CSCA SuperSprint event - anti clockwise!! Organized by our club with Brett Gillies taking the reins. This event is surprisingly different from the original direction, but I'm told that times are fairly close. If you are not entering come down as we have a couple of official spots left vacant at the moment.

John Collins. 0412 260 343

REGISTER CAPTAIN REPORT

Welcome to 2026 – yes, I know it is now February when you are reading this, but it is the 1st Magazine for the year.

After many years of hiatus from Board responsibilities, Darren & I have retired from work and have time to take on the position of Register Captain. I am the official contact and administrative role and Darren is planning interesting routes along less travelled roads to explore our wonderful local areas. We intend to hold a Club Run every month alternating between weekend and mid-week runs. We have a few ideas of places we'd like to explore but always happy to take on suggestions.

January's run was a breakfast run to Mt Sugarloaf on Australia Day. The cooler weather was welcomed, and the breeze kept the mosquitos and flies to a minimum. Lake Macquarie Council needs to do some serious repair work on the road leading to the summit, if left unchecked for another year, we may have to build a bridge to get over some of the potholes. We had a great assortment of cars, and the electric barbeques were popular. There was lively discussion of the upcoming MG National Meeting – as Registration is now open, and the various cars for sale due to new purchases or downsizing. 10 MGs, a Porsche, Healey and more modern cars filled the carpark.

This month's Club Run is a mid-week run (Wednesday 25th Feb) down the western side of Lake Macquarie through to Dooralong, finishing in Woy Woy at the One Lucky Duck Café for

brunch / early lunch. Address is unit 6/ 13 The Boulevarde Woy Woy. Parking is available close to the back entrance in Oval Avenue behind the Bottle shop.

They have a great assortment of scones plus other light meals. This Café opened last October, and we met the Mother of the owner when we were in Chawton (UK) while visiting Jane Austin's House. We had lovely scones there and she promised she had given her recipe to her children for their Café. We will be meeting at the Clubrooms and leaving at 10am. Please contact Darren or me, if you intend coming and would like to meet us along the road, and we will keep an eye out for you.

The March Club Run on Saturday 21st will head west towards Wine Country with planned lunch at Harrigan's Irish Pub (2090 Broke Road Pokolbin). More details will be available in the next Magazine.

We are also interested in having more Club Member Natter Nights this year. When Darren & I first joined these were an after dinner social event where everyone brought along some dessert to share and the nattering went well into the evenings. Over recent years it has developed into a barbeque dinner/ share meal arrangement with an earlier finish, I guess we are getting older.

These gatherings are not just for MG Owners, but a social gathering for ALL members and so we welcome anyone to host a gathering, inside if your house can accommodate -or outside. A working barbeque is good but not

essential, members can also bring a meal to share. The host doesn't have to provide the food, just be willing to welcome a variety of members to their home.

The March Natter Night will be at the lakeside home of Bruce and Beth Fraser in Valentine, for a barbeque on the veranda with great views. Mark Saturday 14th March in your calendar.

Anytime from 5:30pm onwards if you are coming to barbeque. Further details will be sent by email with the full address. We will be hosting the April night on Saturday 18th in preparation for the National Meeting.

Hope to see you at a social Club event soon.

Fran & Darren Hodgson

**VEHICLE HISTORY:**

Chassis No: TC/4663

Engine No: XPAG16016

Restored to a high standard in the mid-'80s, this 1948 MG TC is still in fine shape.

Fire-engine RED with red trim, over silver-painted wire wheels. In the 1990's it was changed to 16" wheels and installed a Morris Minor Differential (4,55:1) Previous owner resided in Newcastle where it underwent an extensive (and no doubt expensive) full and complete restoration, assisted by a well-known MG specialist.

Before that, it was purchased from a Central Coast owner who knew little of its history.

Lucas Fog and Headlights. Headlights have halogen globes. A luggage rack sits comfortably on the rear.

The roof, tonneau and side curtains were renewed in 2000.

The TC moved to Western Australia from 2000 under the same owner and subsequently to Hobart, Tasmania, when it was purchased in 2016 by the present owner.

Purchased by our vendor in 2016, the MG also comes with folders and a bag containing original factory Midget Instruction Manual, a TC Owners Club parts & services book and a service history. There's also, brochures, advertising, The wiper motor was restored and works fine. New Kingpins.

This TC has always been garaged and is a wonderful example of a working MG TC that can start reliably, go anywhere and turn eyes as she passes by. A fine example, this 1948 MG TC would likely be a concours contender with some affectionate work. For the enthusiast who can manage that themselves, it should represent good buying.
